[Leading on Pastoral Care](#) Daniel Sobel, 2019-01-24 Written by a leading expert in the field of inclusion, *Leading on Pastoral Care* assists leaders and SENCOs in primary and secondary schools in managing the most difficult aspects of providing effective pastoral care, such as paperwork, time, confrontational parents, and Ofsted. Sobel writes in an engaging style that reflects his commitment to supporting schools in developing effective strategies to deal with emotional trauma and complex needs. This is an excellent book. SEN Magazine Drawing on research and his extensive experience in leading a team that has worked with over 1,000 schools, Daniel Sobel presents tried and tested strategies, tools, and tips to support the welfare of and improve outcomes for the most challenged and vulnerable students, all backed by case studies and real-life examples. Pastoral care being responsible for the welfare and progress of all students, particularly the most vulnerable, is an essential part of any leadership or SENCO role. However, one of the most significant challenges in providing such care is being able to manage resources as well as staff, students, parents, and external agencies, especially when time and money are scarce. It is all too easy for schools to expend time and money to support their most vulnerable students, but there are many solutions that can be put into practice to provide the best pastoral care as efficiently and effectively as possible. This book is essential reading for all primary and secondary middle leaders, senior leaders, and SENCOs who wish to provide the best support possible for their most vulnerable students while reducing pressure, stress, and workload for themselves and their staff. **Study Guide for Decoding Frankenstein** Steven Smith, 2023-07-19
