## Punctuation Rules

A period is used...

- at the end of declarative sentences and mild imperatives.
- after initials and abbreviations.
- only once for a sentence ending with an abbreviation.

A question mark is used...

- at the end of an interrogative sentence.

An exclamation mark is used...

- after a word, phrase, or sentence showing strong feeling.

A comma is used...

- to separate two or more adjectives of equal rank.
- to set off a direct quotation.
- to separate three or more words, phrases, or clauses in a series.
- to separate two independent clauses in a compound sentence.
- to set off a word, phrase, or dependent clause at the beginning of a sentence.

A semicolon is used...

- to separate independent clauses very close in meaning but not separated by *and*, *but*, *or*, *nor*, *for*, or *yet*.
- to separate items in a series when the series already contains commas.

A colon is used...

- before a list of items or details.
- before a statement that summarizes the original statement.
- before a long, formal quotation or statement.

Parentheses are used...

- to set off words, phrases, clauses, or sentences which are independent of the main part of the sentence.

Quotation marks are used...

- to set off a direct quotation. (Single quotation marks are used for quotes within quotes.)
- to set off words, phrases, or sentences referred to in the sentence.
- to set off slang and foreign words or phrases.

## Pronoun-Antecedent Agreement

- A personal pronoun must agree with its antecedent in person, number, and gender.
- Collective nouns are singular when the group is acting as a single unit.
- Collective nouns are plural when the members of the group are acting independently.

*Example:*

The orchestra disagree on the selections for the concert.

## Subject-Verb Agreement

- Normally, when two or more subjects are connected by *and*, the subject is plural and requires a plural verb.  
*Fred and Dave like this class.*
- If the two subjects form a unit, the subject is then singular and requires a singular verb.  
*Chicken and dumplings is my favorite meal.*
- Two singular subjects joined by *or* are considered singular and require a singular verb.
- When one of the subjects is singular and the other is plural, the verb agrees with the subject that is nearer.
- The subject of the sentence is never affected by intervening phrases that might come between it and the verb.
- A collective noun that is singular requires a singular verb.
- If the collective noun indicates by its usage that the individual members are acting separately, then a plural verb is required.
- A plural noun that shows *weight*, *extent*, or *quantity* is singular and takes a singular verb.  
*Ten dollars is the price of this tape.*

## Rules for Titles

- All principal words in titles are capitalized. Do not capitalize prepositions, coordinating conjunctions, and articles unless they begin the title.
- Underline the titles of books, magazines, newspapers, and films. (Italics may take the place of underlining if you are using a word processor capable of doing it.)
- Quotation marks are used to enclose the titles of magazine articles, chapters of books, names of songs, and titles of poems.

## Capitalization Rules

- Capitalize names of particular persons, places, and things.
- Capitalize titles of rank when they come before a person's name.
- Do not capitalize the names of the seasons of the year unless they are personified.
- The words *north*, *south*, *east*, and *west* are capitalized only when they refer to sections of the country, not directions.
- The names of school subjects are not capitalized unless they are names of languages.
- All words that refer to a specific deity and sacred books are capitalized.

## The "Of" Error

- Do not substitute the preposition *of* for the auxiliary verb *have*.  
 Common error forms are:  
*could of*  
*should of*  
 You should use:  
*could have*  
*should have*

### Grammar Study Guide Introduction

In the digital age, access to information has become easier than ever before. The ability to download Grammar Study Guide has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Grammar Study Guide has opened up a world of possibilities. Downloading Grammar Study Guide provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources

on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Grammar Study Guide has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Grammar Study Guide. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Grammar Study Guide. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Grammar Study Guide, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Grammar Study Guide has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
