entertaining portrait of what Delhi means to its residents and of what the city is becoming Miller like so many of the people he meets is a migrant in one of the world's fastest growing megapolises and the Delhi he depicts is one whose future concerns us all He possesses an intense curiosity he has an infallible eye for life's diversities for all the marvelous and sublime moments that illuminate people's lives This is a generous original humorous portrait of a great city one that unerringly locates the humanity beneath the mundane the unsung and the unfamiliar **Israeli Cookery** Lilyan
