Black New Jersey Graham Russell Gao Hodges,2018-10-01 Winner of the 2019 Richard P McCormick Prize from the New Jersey Historical Commission Black New Jersey tells the rich and complex story of the African American community s remarkable accomplishments and the colossal obstacles they faced along the way Drawing from rare archives historian Graham Russell Gao Hodges brings to life the courageous black men and women who fought for their freedom and eventually built a sturdy and substantial middle class He explores how the state s unique mix of religious artistic and cultural traditions have helped to produce such world renowned figures as Paul Robeson Cory Booker and Queen Latifah as well as a host of lesser known but equally influential New Jersey natives **Such Good Boys** Tina Dirmann,2005-10-04 AN ABUSIVE MOTHER Raised in the suburb of Riverside California twenty year old college student Jason Bautista endured for years his emotionally disturbed mother s verbal and psychological abuse She even locked him out of the house tied him up with electrical cord and on one occasion gave him a beating that sent him to the emergency room His fifteen year old half brother Matthew Montejo also was a victim to Jane Bautista s dark mood swings and erratic behavior but for some reason Jason

received the brunt of the abuse until he decided he d had enough A SON S REVENGE On the night of January 14 2003 Jason strangled his mother To keep authorities from identifying her body he chopped off her head and hands an idea he claimed he got from watching an episode of the hit TV series The Sopranos Matthew would later testify in court that he sat in another room in the house with the TV volume turned up while Jason murdered their mother He also testified that he drove around with Jason to find a place to dump Jane s torso A CRIME THAT WOULD BOND TWO BROTHERS The morning following the murder Matthew went to school and Jason returned to his classes at Cal State San Bernardino When authorities zeroed in on them Jason lied and said that Jane had run off with a boyfriend she d met on the Internet But when police confronted the boys with overwhelming evidence Jason confessed all Now the nightmare was only just beginning for him Boss Gillian G. Gaar,2016-07-22 Find out how legendary musician Bruce Springsteen earned his monicker There s only one Boss his story is revealed here Bruce Springsteen is a platinum shifting stadium filling rock star but he is also more nuanced than that He is a man of the people making conventional and proud of it rock music aimed at the American working class A supreme songwriter Springsteen is a rock n roll legend and this lavishly illustrated book is an examination of his life and music A comprehensive overview of a fascinating and unique artist Boss Bruce Springsteen and the E Street Band The Illustrated History is a tribute to Springsteen s body of work from the rock anthem Born to Run to his sepia toned analysis of working class misery The River There s Springsteen s gnarly Bonnie and Clyde style tableaux Atlantic City as well as his debunking of guys yearnings for youthful Glory Days Throughout it all Springsteen has demonstrated that he knows how to create a classic track Find out once and for all why his nickname is The Boss **Assembly** ,1984 **Sunny Side Up** Mike Blackwood,2022-05-04 You may come to the same conclusion another reader came to when I was in the early process of simply sending my stories out to gauge the interest of a potential book She said You have led a charmed life My first reaction was Are you nuts The fact is although I grew up differently than almost all of you I haven t had a charmed life believe me That sounds like in some way I have been lucky that I haven t experienced hardships pain or defeat Nothing could be further from the truth But I will tell you what is true I have had a blessed life Through it all the Lord has kept me above my trials and tribulations even when I didn t believe He was there Through disappointment death disease He was there I truly believe that we all have choices to make in life You can allow disappointments and discouragement in life to make you bitter or you can use them to make you better That s why I titled this book Sunny Side Up It s how you view your circumstances and how you use them that make us who we are To me it s always been that simple and before you ask no I am not a Southern version of Tony Robbins I am just telling you the way I see it So with that being said I hope you will find some of these short stories humorous I hope a few of them will give you pause to appreciate your blessings and one or two that will tug at your heartstrings to encourage you to be a better friend and neighbor I know that some of these stories if not all will seem far fetched or unbelievable to many of you but like I said I grew up differently than most of you and my experiences in this life to

say it bluntly are unbelievable in themselves But this book really isn't about me at all I am just a storyteller I love telling stories about characters with character and there are plenty of both in the stories before you And before I forget on behalf of my German shepherd Sadie and my black Lab Doc and myself thank you for buying this book We greatly appreciate it
