choice other than to do what he d asked She was aware of him looming over her as she grabbed her t shirt to pull it over her head What do you think she blurted out That is milk so you are definitely lactating he replied I can only assume you have been targeted with Lactiserv It s the most obvious explanation So what do I do Brianna whined Is there a cure Well Lactiserv typically acts as a one and done remedy Dr Andrew said That is you take it to feed your child and the symptoms wane afterwards So Brianna let out You need to get the milk out Dr Andrew explained That s the cure How Brianna asked Typically a manual or electric pump would be used for that but The unfinished comment hung between them as Dr Andrew reached out again The squeeze of Brianna s breasts made milk trickle across her bare skin and he brushed a touch through it before lifting his thumb to his mouth again She watched wide eyed as he went after the taste and his next comment shocked her more You could have someone help you get it out      *Milked by the Doctor (Anal, ANR, Breastfeeding, Lactation, hucow, mind control, pet play)* Olivia Reed, When Ashley shows up a day early for her post pregnancy exam all she knows is that her breasts ache and she needs to see her doctor And when the receptionist promises she can squeeze her in today the new mommy couldn t be happier But what the pretty new mom doesn t know is that her doctor has more than a simple exam in mind for his big breasted patient With the help of a nurse the doctor plans to force Ashley to her hands and knees He ll collar her and make her walk on a leash Once she s out of the waiting room and behind closed doors he ll turn Ashley from just another patient to a milky pampered pet She ll be hooked up to a milking machine and watched over by a nurse as she waits patiently on her hands and knees like a good little cow And when the doctor is finally ready for her Ashley will get her final examination He ll take her roughly in any hole he desires And all Ashley will be able to do is moan for more as she gets
