Belfast City Cemetery Tom Hartley,2014 Tom Hartley uses the story of the cemetery to examine key events in Belfast s history industry and culture *Tracing Your Belfast Ancestors* Chris Paton,2023-05-04 An indispensable genealogy guide to the Northern Irish capital s rich history and ancestral records The city of Belfast has seen its fair share of history across the centuries From its humble beginnings as a medieval settlement on the River Lagan it grew into a corporation town in the seventeenth century and expanded dramatically when it became a city in 1888 Along the way it has experienced the darkest of times including the Belfast Blitz and the recent Troubles as well as some of the most enlightened developments across Ireland and the UK In *Tracing Your Belfast Ancestors* genealogist and author Chris Paton returns to the city of his own birth delving into its history and genealogical resources Paton covers the city s most extensive archives libraries and museums and offers a detailed overview of the records generated by those who came before He expertly steers the reader towards centuries of ancestral exploration both through online resources and within the city of Belfast itself and with a wee bit of craic along the way

The First Great Charity of This Town Olwen Purdue,2022-08-24 Belfast Charitable Society was established in 1752 with the purpose of raising funds to build a poorhouse and hospital for the poor of Belfast twenty years later the foundation stone of the Poorhouse was laid From here the Society would go on to assume increasing responsibility for a range of matters relating to health welfare and public order and its members would play a key part in the civic life of Belfast It continues to provide vital social services to this day and its Poorhouse now Clifton House is still one of the finest buildings in the city During the century following the establishment of the Society Belfast was transformed from a relatively small mercantile town into a major industrial city a transformation that was accompanied by political upheaval and the major societal challenges associated with rapid industrialisation and urban growth Taking as its focus the work of the Society the global connections that influenced its thinking and the societal issues it sought to address this fascinating volume provides valuable insights into the wider social economic and political life of the nineteenth century Irish town of which the Society became such an iconic part

A Tomb With a View - The Stories & Glories of Graveyards Peter Ross,2020-09-03 A FINANCIAL TIMES I PAPER AND STYLIST BOOK OF THE YEAR In his absorbing book about the lost and the gone Peter Ross takes us from Flanders Fields to Milltown to Kensal Green to melancholy islands and surprisingly lively ossuaries a considered and moving book on the timely subject of how the dead are remembered and how they go on working below the surface of our lives Hilary Mantel Ross is a wonderfully evocative writer deftly capturing a sense of place and history while bringing a deep humanity to his subject He has written a delightful book The Guardian The pages burst with life and anecdote while also examining our relationship with remembrance Financial Times best travel books of 2020 Among the year

s most surprising sleeper successes is *A Tomb with a View* In a year with so much death it may have initially seemed a hard sell but the author's humanity has instead acted as a beacon of light in the darkness The Sunday Times Fascinating Ross makes a likeably idiosyncratic guide and one finishes the book feeling strangely optimistic about the inevitable The Observer Ross has written a lively elegy to Britain's best burial grounds Evening Standard Best New Books of Autumn 2020 One of the non-fiction books of the year The i paper 2020 Best Books for Christmas Brilliant Stylist Best Christmas books for Christmas 2020 Never has a book about death been so full of life James Joyce and Charles Dickens would've loved it a book that reveals much gravity in the humour and many stories in the graveyard It also reveals Peter Ross to be among the best non-fiction writers in the country Andrew O Hagan For readers of The Salt Path Mudlarking Ghostland Kathleen Jamie and Robert Macfarlane Enter a grave new world of fascination and delight as award-winning writer Peter Ross uncovers the stories and glories of graveyards Who are London's outcast dead and why is David Bowie their guardian angel What is the remarkable truth about Phoebe Hessel who disguised herself as a man to fight alongside her sweetheart and went on to live in the reigns of five monarchs Why is a Bristol cemetery the perfect wedding venue for goths All of these sorrowful mysteries and many more are answered in *A Tomb With A View* a book for anyone who has ever wandered through a field of crooked headstones and wondered about the lives and deaths of those who lie beneath

Convictions, Conflict, and Moral Reasoning David J. McMillan, 2021-12-14 The primary focus of this volume is to bring to the fore the contribution of McClendon and Smith's work on convictions and the application of that work in helping understand the processes of moral reasoning in the context of conflict Both were indebted to Zuurdeeg and their concept was incorporated in models of moral reasoning by Baptist scholars Glen Stassen and Parush Parushev The usefulness of the concept is critically evaluated The volume concludes with a case study on the conflict in Northern Ireland including the role of religion and the key issues raised in the referendum on the Belfast Agreement in 1998 It includes an examination of the contribution of four Christian groups in Northern Ireland who publicly engaged in this six-week period of intense and passionate debate on the Agreement and the difficult issues it addressed as the focus for examining and testing the application of the model of moral reasoning On the basis of the case study is demonstrated that the concept of convictions can prove to be a helpful means of getting to the heart of what drives moral reasoning in contexts of conflict The purpose of this book is to issue a call to engage with critique and consider the importance and application of a much undervalued methodological approach to discerning the convictions that are the primary influencers of thought and action

Does Terrorism Work? Richard English, 2019-02-21 Terrorism is one of the most significant security threats that we face in the twenty-first century Not surprisingly there is now a plethora of books on the subject offering definitions of what terrorism is and proffering advice on what causes it and how states should react to it But one of

the most important questions about terrorism has until now been left remarkably under scrutinized does it work Richard English now brings thirty years of professional expertise studying terrorism to the task of answering this complex and controversial question Focussing principally on four of the most significant terrorist organizations of the last fifty years al Qaida the Provisional IRA Hamas and ETA and using a wealth of interview material with former terrorists as well as those involved in counter terrorism he argues that we need a far more honest understanding of the degree to which terrorism actually works as well as a more nuanced insight into the precise ways in which it does so Only then can we begin to grapple more effectively with what has become one of the most challenging and eye catching issues of our time Written in Stone Tom Hartley,2010 Remembering the Troubles Jim Smyth,2017-03-30 The historian A T Q Stewart once remarked that in Ireland all history is applied history that is the study of the past prosecutes political conflict by other means Indeed nearly twenty years after the 1998 Belfast Agreement dealing with the past remains near the top of the political agenda in Northern Ireland The essays in this volume by leading experts in the fields of Irish and British history politics and international studies explore the ways in which competing social or collective memories of the Northern Ireland Troubles continue to shape the post conflict political landscape The contributors to this volume embrace a diversity of perspectives the Provisional Republican version of events as well as that of its Official Republican rival Loyalist understandings of the recent past as well as the British Army s authorized for the record account the importance of commemoration and memorialization to Irish Republican culture and the individual memory of one of the noncombatants swept up in the conflict Tightly specific sharply focused and rich in local detail these essays make a significant contribution to the burgeoning literature of history and memory The book will interest students and scholars of Irish studies contemporary British history memory studies conflict resolution and political science Contributors Jim Smyth Ian McBride Ruan O Donnell Aaron Edwards James W McAuley Margaret O Callaghan John Mulqueen and Cathal Goan **The Politics of Memoir and the Northern Ireland Conflict** Stephen Hopkins,2013 This book examines memoir writing by many of the key political actors in the Northern Irish Troubles 1969-1998 and argues that memoir has been a neglected dimension of the study of the legacies of the violent conflict It investigates these sources in the context of ongoing disputes over how to interpret Northern Ireland's recent past A careful reading of these memoirs can provide insights into the lived experience and retrospective judgments of some of the main protagonists of the conflict The period of relative peace rests upon an uneasy calm in Northern Ireland Many people continue to inhabit contested ideological territories and in their strategies for shaping the narrative telling of the conflict key individuals within the Protestant Unionist and Catholic Irish Nationalist communities can appear locked into exclusive and self justifying discourses In such circumstances while some memoirists have been genuinely self critical many others have utilised a post conflict language of societal *Siobhan's Miracle - They Told Us She Had Weeks to Live. Then the Most Amazing Miracle Happened* Ellen & Derek Jameson,2009-06-08 The true story of a remarkable life and a death deferred
