Mila A Three Part Story:

Mila (a Three-Part Story) Aliya McReynolds, 2014-12-11 Mila A Three Part Story takes place in 43 AD when Rome conquered Southern Britannia Mila a young mother is taken hostage by Rome ripped away from her son and sold as a gladiator After she uses fighting skills learned from her father to survive a battle in the arena Mila s master decides to make her a deal If she fights for him and wins back his status as an entertainer she ll be granted her freedom which will enable her to search for her son Mila accepts unaware that this new world has nothing to offer but tremendous peril unspeakable grief and unforgivable lies Mila's World: Mila's Big Secret Maslina Yusoff , Mila wants a pet but Mak says no Mila finds an injured squirrel and hides him in her bedroom But Mila is in for a surprise when her mother discovers her secret In Search of Mila's Collected Songs. Back to the Basics Kristin Blancke, 2024-11-13 In Search of Mila s Collected Songs Back to the Basics is a comparative study of Tibetan texts with stories and songs of the great yogin and poet Milarepa written between the 12th and the 15th centuries By comparing these texts the evolution of the narratives and the songs related to the lineages in which the texts were transmitted comes to light The research leads up to the most famous Tibetan text regarding Milarepa Tsangny n Heruka s Life and Songs The Life of Milarepa and The Hundred Thousand Songs of Milarepa The analysis of the evolution in the life and song stories allows us to evaluate the iconic image of the great yogin as depicted by Tsangny n Heruka The book consists of two main parts Part One assesses the available sources classified according to the period and the lineages in which they were produced In Chapter 1 the biographies before Tsangny n are studied In Chapter 2 the specific characteristics of Tsangny n s work are highlighted as compared to the earlier works Chapter 3 considers some doctrinal aspects and their evolutions in all these works The first part ends with the conclusions drawn from the comparative study Part Two consists of translations relative to the research This part is divided into ten chapters The first one Chapter 4 is a translation of Milarepa s hitherto unstudied life story by one of his main disciples Ngendzong Tonpa Chapters 5 6 and 7 are translations of specific topics as they appear in all the different texts Milarepa s stay with his teacher Marpa the encounter between Milarepa and Gampopa and the teaching transmission of a specific meditation tradition from Milarepa to his disciple Rechungpa Chapter 8 describes interesting details found in a text by Zhij Ripa Chapter 9 compares the episode of a dying B npo in the different texts In Chapter 10 three episodes from the biographical compendium Life and Songs of the Glorious Laughing Vajra are studied and compared with Tsangny n Heruka s version Chapter 11 gives an interesting interpretation of certain features of Mila s encounters with non human beings due to the interconnections between inner winds and outer appearances Chapter 12 analyses the colophons of the most ancient Chapters in the texts regarding Mila s interactions with the Tseringma long life sisters Chapter 13 gives Mila s instructions on the intermediate states Here two different texts explaining the same instructions are compared to each other Then follows a bibliography and an appendix containing 8 Song Charts in which the chapters and the songs in all these works are localised **Miraculous Journey ;**

Allison E. Fagan,2016-07-14 Chicana o literature frequently depicts characters who exist in a vulnerable liminal space living on the border between Mexican and American identities and sometimes pushed to the edge by authorities who seek to restrict their freedom As this groundbreaking new study reveals the books themselves have occupied similarly precarious positions as Chicana o literature has struggled for economic viability and visibility on the margins of the American publishing industry while Chicana o writers have grappled with editorial practices that compromise their creative autonomy From the Edge reveals the tangled textual histories behind some of the most cherished works in the Chicana o literary canon tracing the negotiations between authors editors and publishers that determined how these books appeared in print Allison Fagan demonstrates how the texts surrounding the authors words from editorial prefaces to Spanish language glossaries from cover illustrations to reviewers blurbs have crucially shaped the reception of Chicana o literature To gain an even richer perspective on the politics of print she ultimately explores one more border space studying the marks and remarks that readers have left in the margins of these books From the Edge vividly demonstrates that to comprehend fully the roles that ethnicity language class and gender play within Chicana o literature we must understand the material conditions that governed the production publication and reception of these works By teaching us how to read the borders of the text it demonstrates how we might perceive and preserve the faint traces of those on the margins *The Distance Between Us*

Reyna Grande,2012-08-28 In this inspirational and unflinchingly honest memoir acclaimed author Reyna Grande describes her childhood torn between the United States and Mexico and shines a light on the experiences fears and hopes of those who choose to make the harrowing journey across the border Reyna Grande vividly brings to life her tumultuous early years in this compelling unvarnished resonant BookPage story of a childhood spent torn between two parents and two countries As her parents make the dangerous trek across the Mexican border to El Otro Lado The Other Side in pursuit of the American dream Reyna and her siblings are forced into the already overburdened household of their stern grandmother When their mother at last returns Reyna prepares for her own journey to El Otro Lado to live with the man who has haunted her imagination for years her long absent father Funny heartbreaking and lyrical The Distance Between Us poignantly captures the confusion and contradictions of childhood reminding us that the joys and sorrows we experience are imprinted on the heart forever calling out to us of those places we first called home Also available in Spanish as La distancia entre nosotros
