(NKJV)** Thomas Nelson,2023-05-09 Be refreshed by the power and beauty of faithful Christ centered teaching Engage the issues of today Build a firm foundation for this generation and the next To be an evangelical is to believe in life changing truth it is to believe that the Bible not only gives us the key to eternal life in Jesus but also the way to live today This is news worth sharing But how do we do this in a rapidly changing culture that appears to be shifting from a general disinterest in the gospel to a more active opposition to it When it feels like our faith is being challenged in every area how should we respond The Evangelical Study Bible will rejuvenate your faith through the unchanging truth of the gospel With verse by verse commentary and interesting sidebars that dig deeper into the historical and contextual background of Scripture it will help you grow in your understanding and appreciation of the life changing truths of the Christian faith Also included are more than fifty articles designed to help you better understand your faith and effectively share it with others Many of these articles address the most pressing issues of our day equipping you to engage others with confidence and laying a foundation of truth for the next generation Features include Commentary articles notes and word studies developed in partnership with scholars from Liberty University s School of Divinity Verse by verse commentary on the entire Bible for a better understanding of the passage being read Over 200 short articles on Christian teachings and doctrine for a systematic study of themes in God s Word 100 articles to equip readers to navigate the cultural engagement issues of today 100 cultural background notes help you relate to how people lived in Bible times 100 archeological notes draw attention to biblical places and related archeological discoveries 550 Word Studies to explore key terms of the Bible Biographies of 150 biblical figures give overviews of key men and women in the Bible Full color maps charts and family trees for a visual representation of concepts and where key events in the Bible took place Book introductions with outlines and reading plans provide a concise overview of the background and historical context of the book about to be read Topical indexes make it easy to find important topics in Scripture Extensive cross references drawing connections between texts Concordance provides an alphabetical listing of important passages by key words Large Print 10 5 point NKJV Comfort Print *Worldview as Worship* Eddie Karl Baumann,2011-08-01 The goal of many evangelical educators is to facilitate biblical thinking and the worldview transformation of their students Yet aside from upholding a set of moral behaviors or maintaining positions on issues perceived to be Christian the goals and aspirations of most evangelical young people differ little from their unbelieving peers As George Barna has noted We have a generation coming up that isn t looking at Christianity to answer spiritual concerns We either change or we lose them *Worldview as Worship* contends that the approach taken by most evangelical educators to the issue of worldview transformation has neglected to address two

fundamental components of worldviews First that our initial worldviews are not philosophical systems but rather faith dispositions and that worldview transformation cannot simply present the biblical worldview as a more rational or logical system but must address issues of the heart as well as the mind Second unlike philosophies that are individual worldviews are communal and are learned and transformed within the context of community practice Appealing to Paul's teaching in Romans 12:1-2 Worldview as Worship approaches the renewing of your mind as the result of the believer's presentation of themselves as a holy sacrifice which is your spiritual service of worship The book advocates an approach to worldview transformation that focuses on believers as apprentices rather than simply as students an approach that holds true to the biblical model of discipleship As a result worldview transformation works best when the application of faith to the issues of learning and life are modeled by the faith community and where students are given the opportunity to put faith into practice
