lessons he d learned about diversity began to take on even greater meaning Through the experiences of Trent Taylor Jr he saw that people s outward attributes are of far less value than what lives in their hearts By fleshing out his characters he began to sense that our skin color that outward paint job is really not the point We hope that as you turn the pages of this volume you ll take that same journey of personal discovery the author experienced Maybe you ll realize that neighbor from a foreign country isn t out to steal your job he s just trying to make a good life for his children Maybe you ll break away from the ethnic stereotypes your forebears believed in Maybe you ll begin to understand that how an individual looks on the outside bears no correlation to the quality of the person within *Chronicles of the Creek* Richard Means,2014-12-08

Reading this book will help one to understand that although this is a book of fiction there is some truth to the overall story This book follows a young man who is the eleventh of thirteen kids through some of the trials and tribulations of growing up in a housing project He is searching for his niche in life that will make him fit in with what he feels is society He joins the U S Army and barely makes it out alive after nearly three years After discharging from the army he settles back into civilian life working hard and peddling drugs **The Billboard** ,1926 *Waking Dead Things* Ryan M. Williams,2021 Sixteen and stressed It wasn't the driver's test that had Ravyn on edge It was the Inquisition's test Every four years the Inquisition tested her for any hint of paranormal abilities that would mark her as a witch Oh their methods had evolved over the centuries They didn't burn witches at the stake anymore Today burning a witch meant chemical and surgical brain surgery to eliminate any unnatural talents the witch possessed Internationally backed the new secular Inquisition formed an elite police force standing against darkness Yeah right Ravyn knew firsthand what it meant She helped her mom take care of her grandmother accused witch burned by the Inquisition and barely able to function now Just being her granddaughter was enough to put Ravyn under suspicion So yeah turning sixteen was stressful Especially since she suspected she might be a witch after all

*Grumpy and the Incurables* DHK,2024-03-01 Old grumpy and cynical this man in his 70s complains about being riddled with incurable diseases which he describes using a lot of profanity but in such a way that you can't help yourself but laugh and feel sorry for him at the same time He could be your Dad your Grandad or perhaps you some day and this touches something in the reader He claims he is trying to reach out to fellow sufferers of the many diseases but he openly admits that this is only because he wants them to buy his book He promises that if you buy his book he won't waste his profits on any good causes other than giving himself one final celebration or blow out as he says He thinks he is a Senior Citizen Influencer and he shamelessly pokes fun at everyone on the planet whom he describes as little hamsters so busy running around in the wheel chasing a lost cause until they can't He is also disparaging about do gooders and those who would try to save the planet but there is a hint of tongue in cheek in all he says or is there Between the lines there is a serious side where he describes the suffering and indignities brought about by many of the conditions that he and millions of others endure This book is not to everyone's taste but everyone should read it **GULLIVER'S TRAVELS** NARAYAN CHANGDER,2024-05-16
