Out of Place Edward W. Said, 2012-10-24 From one of the most important intellectuals of our time comes an extraordinary story of exile and a celebration of an irrecoverable past A fatal medical diagnosis in 1991 convinced Edward Said that he should leave a record of where he was born and spent his childhood and so with this memoir he rediscovers the lost Arab world of his early years in Palestine Lebanon and Egypt Said writes with great passion and wit about his family and his friends from his birthplace in Jerusalem schools in Cairo and summers in the mountains above Beirut to boarding school and college in the United States revealing an unimaginable world of rich colorful characters and exotic eastern landscapes Underscoring all is the confusion of identity the young Said experienced as he came to terms with the dissonance of being an American citizen a Christian and a Palestinian and ultimately an outsider Richly detailed moving often profound Out of Place
