**Bossy Billionaire** M. Robinson, 2024. What was supposed to be only a three-year career choice in London turned into me losing the love of my life. For the past seven years, I became the successful multibillionaire. I sacrificed her for now. After all this time, I made her an offer she couldn't refuse to have her back in my life. She's the woman who's haunted my dreams. I can't wait to show her just how much I've changed, starting with how good I am at using my power to get what I want. And what I want is her. From friends to lovers, to enemies. To now, I was her boss, and she was my publicist. I did what I needed to do to ensure her future with me. I lied to the world and said we were engaged. She should have known better than to sign her life over to me. The Devil in a Suit. Back cover. [Her Bossy Billionaire](#) Natalie Anderson, 2022.
