Alain L. Fymat

Joint Admission Board 2014 2015 Intake:

Advancing Africa's Sustainable Development Alain L. Fymat, 2018-11-14 While many African countries lag behind the rest of the industrialised world in scientific and medical research and development the situation is progressively improving This is why the Society for the Advancement of Science in Africa was established to contribute to economic advancement and sustainability through science research education and innovation This book provides a selection of papers from the Advancement of Science in Africa s fourth annual conference The conference was held under the overarching theme of science technology and innovation in Africa with several important sub themes including but not limited to improving health research and disease surveillance education collaborating in research responding to epidemic diseases with high mortality in Africa and promoting women s interest in science careers The collection illustrates how although the chapter contributors come from various countries and universities representing their own academic research they all share a common interest in advancing science technology and innovation in Africa

Negotiating Identities in Contemporary Africa Toyin Falola, Emmanuel M. Mbah, 2023-08-29 Negotiating Identities in Contemporary Africa Gender Religion and Ethno cultural Identities explores the changing dynamics of identities in Africa with a focus on gender ethno cultural and religious identity Toyin Falola and Emmanuel M Mbah argue that because identity defines who we are as individuals or groups studies on African identities must focus on understanding the changing dynamics in the socio economic and political spheres in the continent These chapters cover subjects such as women s career identity gender roles and knowledge childlessness ethnocentrism and democracy cultural identity through theater Black identity in the diaspora and diasporic consciousness Using existing scholarship the chapters in this edited volume challenge our understanding of what identity entails and provide new discussions on the hitherto politicized historiography of some identities in Africa

African Womanhood and the Feminist Agenda Musingafi, Maxwell Constantine Chando, Hungwe, Chipso, 2024-01-16 Within academic circles there is a longstanding issue concerning the portrayal and understanding of African womanhood Frequently these narratives are crafted by outsiders predominantly Western scholars often distorting the lived experiences and unique perspectives of African women This has led to a skewed and sometimes negative perception of African women reinforcing stereotypes and sidelining their voices in

critical discussions Moreover this misrepresentation has real world consequences as it impacts social justice initiatives and development projects that rely on misguided narratives rather than the authentic voices of African women African Womanhood and the Feminist Agenda emerges as an essential solution to the misrepresentation of African women This comprehensive and meticulously researched book offers an alternative narrative one that is rooted in African perspectives and experiences It addresses the historical cultural and political dimensions of African womanhood providing a rich and nuanced understanding of this multifaceted topic *Rosen's Emergency Medicine - Concepts and Clinical Practice E-Book* Ron Walls,Robert Hockberger,Marianne Gausche-Hill,2017-03-09 Since its revolutionary first edition in 1983 Rosen s Emergency Medicine set the standard for reliable accessible and comprehensive information to guide the clinical practice of emergency medicine Generations of emergency medicine residents and practitioners have relied on Rosen s as the source for current information across the spectrum of emergency medicine practice The 9th Edition continues this tradition of excellence offering the unparalleled clarity and authority you ve come to expect from the award winning leader in the field Throughout the text content is now more concise clinically relevant and accessible than ever before meeting the needs of today s increasingly busy emergency medicine practitioner Delivers clear precise information focused writing and references relevant concise information and generous use of illustrations provide definitive guidance for every emergency situation Offers the most immediately relevant content of any emergency medicine reference providing diagnostic and treatment recommendations with clear indications and preferred actions Presents the expertise and knowledge of a new generation of editors who bring fresh insights and new perspectives to the table Includes more than 550 new figures including new anatomy drawings new graphs and algorithms and new photos Provides diligently updated content throughout based on only the most recent and relevant medical literature Provides improved organization in sections to enhance navigation and six new chapters Airway Management for the Pediatric Patient Procedural Sedation and Analgesia for the Pediatric Patient Drug Therapy for the Pediatric Patient Co Morbid Medical Emergencies During Pregnancy Drug Therapy in the Geriatric Patient and Global and Humanitarian Emergency Medicine Expert Consult™ eBook version included with purchase This enhanced eBook experience allows you to search all of the text figures Q As and references from the book on a variety of devices
