If we could ask a Romantic reader of new poetry in 1820 to identify the most celebrated poet of the day after Byron the chances are that he or she would reply with the name of Barry Cornwall Solicitor dandy and pugilist Cornwall pseudonym of Bryan Waller Procter 1787 1874 published his first poems in the Literary Gazette in late 1817 By February 1820 under the tutelage of Keats s mentor Leigh Hunt Cornwall had produced three volumes of verse Marcian Colonna sold 700 copies in a single morning a figure exceeding Keats s lifetime sales Hazlitt s suppressed anthology Select British Poets 1824 allocated Cornwall nine pages the same number as Keats and more than Southey Lamb or Shelley Blackwood s Edinburgh Magazine pronounced Cornwall a poet of originality and genius and in 1821 Gold s London Magazine announced that in terms of tenderness and delicacy even Percy Shelley was surpassed very far indeed by Barry Cornwall It is difficult to square Cornwall s early nineteenth century popularity with his subsequent neglect In Bright Stars Richard Marggraf Turley concentrates on Cornwall s phenomenal success between 1817 and 1823 emphatically returning an important and unjustly neglected Romantic author to critical focus Marggraf Turley explores Cornwall s rivalry and at various junctures political camaraderie

with fellow Hunt protégé Keats whose career exists in a fascinatingly mirrored relationship with his own trajectory into celebrity. The book argues that Cornwall helped to structure Keats's experience as a poet but also explores the central question of how Cornwall's racy and politically subversive poetry managed to establish a broad readership where Keats's similarly indecorous publications met with review hostility and readerly indifference.
