The Messiah Prophecy Murders Charles LeRoy

Janes,2022-06-10 If Quentin Tarantino and Fyodor Dostoyevsky were to meet on a street in old St Petersburg and agree to collaborate on a story the Messiah Prophecy Murders is the story they would write Deep in war torn Poland in September 1939 a Red Army soldier about to execute a wounded Polish officer is brought to a trembling halt when he recognizes the officer as a boyhood friend s father who had been deeply generous to his own father when he was in desperate need of help to feed his impoverished family With the recollection of the father s acts of kindness the soldier hesitates fires a round harmlessly into the ground and whispers to the officer to lie still so that nearby soldiers who heard the shot will think their comrade did his duty and finished off the enemy officer The consequences of that act of mercy then caromed through time and space and the lives of the combatants and their progeny to land in a courtroom in Newport Rhode Island in a trial for murder in which the Polish officer s son Piotr Zaborski has been framed and betrayed by the soldier s son Nicolay Speshnev both of whom are naturalized U S citizens after having immigrated from Poland in their teens nearly thirty years earlier In the aftermath of the 9 11 attack on the World Trade Center the posh resort community of Newport was convulsed by the slayings of the stunningly beautiful daughters of three of its ultra wealthy Summer Colony families The features of the murders and the evidence found at each of the crime scenes most notably a handwritten prophecy of Christ s Second Coming strongly suggest that the killer is driven by depraved religious compulsions and obsessions Suspicion falls heavily on Zaborski who years earlier while a novice at a nearby Benedictine monastery was expelled from the monastery for mysterious reasons Since his expulsion he has become a fixture on the streets of Newport known for his often homeless destitute and eccentric existence for his ostentatious and frequent public displays of intense religiosity and aggressive Pro Life advocacy and for his irrepressible habit of endlessly and seemingly aimlessly roaming the streets of Newport at all hours of the day and night dressed in filthy dumpster clothing embellished by an ever present outsized monk s rosary and crucifix draped conspicuously around his neck In the heated nearly hysterical atmosphere of Newport in the weeks after the murders the

unsubstantiated accusations and inchoate suspicions directed at Zaborski harden into the conviction that he is the killer when law enforcement leaks to the media the text of the crime scene prophecies and the reports of forensic experts concluding that the prophecies were written in Zaborski's hand. With public opinion howling for Zaborski's neck and with the summer tourist season fast approaching the city fathers mount a campaign of their own to pressure law enforcement into arresting Zaborski in the hope that with his arrest Newport will be able to return to its customary celebratory and pleasure seeking ways with crowded sun dappled beaches packed hotels and boisterous bars and restaurants. The hope proves illusory however as the murder and mayhem continue even after Zaborski's arrest and incarceration pending trial. From his perch as the maitre d of one of Newport's poshest waterfront restaurants the psychopathic but Armani sleek and charismatic Speshnev resumes his bloody siege of Newport which keeps the resort community in the grip of a crippling fear and dread. Despite the further acts of violence while Zaborski is incarcerated the state relentlessly pursues its indictment against him. Eventually it is only through the tenacious investigative efforts of Zaborski's pro bono but celebrated Boston defense counsel Anthony Caro and Caro's local Newport co counsel and love interest Maura Boyle that the long ago events in Poland are unearthed. That all leads to the evidence that wins Zaborski's acquittal at trial and to the arrest of Speshnev for the murders.

Murder Down the Medway Alex Mabon, 2006 When retired Detective Inspector Billy Saunders assistance is requested by the police in Inverness following the murder of a local town councillor he has no idea that the investigation will set him up for a confrontation that originated in the Medway towns 40 years earlier when he was a young detective constable.

Scenes Of Murder Winston Ramsey, 2012-02-28 In this book After the Battle have explored entirely new ground to investigate 150 years of murder and present it through our then and now theme of comparison photographs. Scene of crime plans and photographs from police files focus on a wide variety of murders committed between 1812 when a Prime Minister was shot in the House of Commons to killings on the streets of London in the 1960s. Far too often it is the perpetrator who is remembered while their victims many lying in unmarked graves remain lost to history. So this book sets out to redress the balance by tracking down the last resting places even going as far as to mark two wartime graves of taxi drivers killed by American servicemen. Homicide is not a subject for the faint hearted and many of the photographs are distressing which is why the book is made available with that warning.

Mass Murders Sam Baltrusis, 2020-05-01 Does a murder psychically imprint itself on a blood stained crime scene? Sam Baltrusis revisits the haunts associated with the most horrific homicides in Massachusetts including the Lady of the Dunes mystery in Provincetown to the Lizzie Borden case in Fall River. Using a paranormal lens Baltrusis delves into the ghastly tales of murder and madness to uncover the truth behind some of the Bay State's most bone chilling crimes.

Murder's Rule Book D.D. Darwin, 2025-06-04 The stories you are about to read are a collection of remarkable case files. They include murder blackmail and endless intrigue covering the depths of men's and women's depraved minds. These records came from the York Detective Agency later to be renamed the Reliance Agency.

The Murder of Stanford White Dr. Gerald Langford, 2018-02-27 Evelyn Nesbit was a popular American chorus girl, an artist's model and an actress. In the early part of the Twentieth century the figure and face of Evelyn Nesbit were everywhere appearing in mass circulation newspaper and magazine advertisements on souvenir items and calendars making her a cultural celebrity. But it was on the evening of June 25, 1906 that she gained worldwide notoriety when her husband, multi-millionaire Harry Kendall Thaw, shot and murdered architect and New York socialite Stanford White on the rooftop theatre of Madison Square Garden, leading to what the press would call The Trial of the Century. The Harry K. Thaw Evelyn Nesbit Stanford White story remains one of the great crime sensations of the Twentieth Century. Stanford White, an enormously rich man of high social position and supposedly blameless reputation, nevertheless led a private life that was at variance with his public reputation. His lavish stag dinner parties were well known and later played an important part in the famous murder trial. A gripping read.

A Fashionably French Murder Colleen Cambridge, 2025-04-29 American expat Tabitha Knight has found a new life in postwar Paris along with a delightful friend in aspiring chef Julia Child. Yet there are perils in peacetime too as a killer infiltrates one of the city's most famous fashion houses. If there's one art the French have mastered as well as fine cuisine, it's haute couture. Tabitha and Julia are already accustomed to sampling the delights of the former. Now fashion is returning to the forefront in Paris as the somber hues of wartime are replaced by vibrant colors and ultra-feminine silhouettes influenced by Christian Dior's New Look. Tabitha and Julia join a friend for a private showing at an exclusive fashion atelier, Maison Lannet. The event goes well, but when Tabitha returns later that evening to search for a lost glove, she finds the lights still on and the couturier dead, strangled by a length of lace. The shop manager suspects that a jealous rival, perhaps Dior himself, committed the crime. Tabitha dismisses that idea, but when another body is found, it's apparent that someone is targeting employees of Maison Lannet. Meanwhile, Tabitha's Grand père and Oncle Rafe are in the midst of their own design-related fracas as they squabble over how to decorate their new restaurant. And there are strange break-ins at a nearby shoe store, but are the crimes related? It's up to Tabitha to don her investigative hat and find answers before someone commits another fatal fashion faux pas.

American Murder Houses Steve Lehto, 2015-02-03 There are places in the United States of America where violent acts of bloodshed have occurred. Years may pass, even centuries, but the mark of death remains. They are known as Murder Houses. Writer Steve Lehto recounts the stories behind the houses where Lizzie Borden supposedly gave her stepmother forty whacks, where the real Amityville Horror was first unleashed by gunfire, and where the demented acts of the Manson Family horrified a nation, as well as some lesser-known sites of murder that were no less ghastly.
