Grandpa's Backstory Larry Taliaferro, 2015-05-18 After facing the realization I was going to become a grandfather to a great little boy it seemed important to tell him something about his family history that occurred before he was born With as busy as he is now in college it may be awhile before he slows down long enough to inquire I simply started at the beginning with the first memory I ever had and chronicled many of the meaningful things in my life as I remembered them I documented grade school high school and college experiences I then moved on to my time in the military and in the working world all the while starting a family with a special woman Trudy my wife of nearly forty seven years The highlights in my life get a treatment including my travels and the events that affected me deeply enough to shape my thinking because I also share my many opinions Here then is Grandpa's Backstory Because Somebody Might Need to Know

Get Conscious Ali Walker, Ph.D., 2017-05-02 In ancient times most people believed that if you traveled to the horizon you would fall over the edge This was a mirage that limited their lives Today the mirage that we all live by is the idea that I will be happy when I will be happy when I am married I will be happy when I leave my job I will be happy when I am on holidays This belief leads to us overthinking and overanalysing all the ways that we might be happier at some point in the future But what if happiness is the wrong aim What if happiness is like the horizon an imaginary line that seems real until we start to chase it Ali Walker shows that instead of seeking happiness in the future we can focus on awareness in each moment training ourselves to generate calming positive and uplifting thoughts and emotions Drawing on her research and her work with clients Get Conscious breaks down the four elements of self awareness and provides strategies for mastering them Feel honor all emotions Think choose only positive thoughts Sense trust the messages of your body Act go with the flow of life and love Included are case studies rituals exercises and activities to help you tune into your inner wisdom and let self awareness guide you to come alive Get Conscious moves us out of overthinking and into awareness Let it be the transformation of your lifetime

Grandpa's Angry Chickens Jay Hodge,2024-12-18 Parenting can only be described as an endless adventure but in reality it is so much more Whether you are raising young toddlers teenagers or those on the brink of adulting parenting can be terrifying overwhelming and yes even exhausting at times Every stage of their growth and development becomes a new journey Each time we think we have it figured out they grow up a little more We are left feeling unprepared lost and out of date like a stubby armed tyrannosaurus rex trapped in a world filled with push button start cars and touch screen cell phones As strange as it sounds this is actually one of the best parts of being a parent We don t really know what we are getting into and there are no all inclusive instruction manuals available to download on Audible com and listen to in our cars on the way to work While nobody gets a gold medal for it being a good parent will be one of our greatest accomplishments as we someday quietly reflect on the ultimate meaning of our short lives Join Jay as he takes you back through the years on a journey filled with wonder humor and insight maybe even to those places in your own childhood that have been long

forgotten Grandpa's Angry Chickens is a wonderful and enjoyable resource for parents and grandparents of all ages. Jay does a masterful job of helping us recall those distant days with our parents and grandparents when the world was an endless open book just waiting to be written in the ink of imagination: skinned knees, tree climbing, and sometimes a little mischief. Jay then helps us recognize the lessons hidden inside those moments that enable us to enrich the lives of our kids and grandkids. I highly recommend this touching and emotional book to parents, grandparents, aunts, uncles, and special friends. Stephen D. Williford, Author
