Information Engineering and Education Science Dawei Zheng, 2015-04-30 This proceedings volume contains selected papers presented at the 2014 International Conference on Information Engineering and Education Science ICIEES 2014 held June 12-13 in Hong Kong, China. The objective of ICIEES 2014 was to provide a platform for researchers, engineers, academics, as well as industry professionals from all over the world to

Diversity and Triumphs of Navigating the Terrain of Academe Raphael Heaggans, Henry T. Frierson, 2019-05-30 This volume is written as a treatise to dismantle the powers of discriminatory incubuses that have haunted institutions of higher learning one narrative at a time

Disney Theme Parks and America's National Narratives Bethanee Bemis, 2022-12-27 Disney Theme Parks and America's National Narratives takes a public history approach to situating the physical spaces of the Disney brand within memory and identity studies. For over 65 years, Disney's theme parks have been important locations for the formation and negotiation of the collective memory of the American narrative. Disney's success as one of America's most prolific storytellers, its rise as a symbol of America itself, and its creation of theme parks that immerse visitors in three-dimensional versions of certain American values and historic myths have both echoed and shaped the way the American people see themselves. Like all versions of the American narrative, Disney's vision serves to reassure us, affirm our shared values, and unite a diverse group of people under a distinctly American identity or at least it did. The book shows how the status Disney obtained led the public to use them both as touchstones of identity and as spaces to influence the American identity writ large. This volume also examines the following: how Disney's original cartoons and live-action entertainment offerings drew from American folk history and ideals; how their work during World War II cemented them as an American symbol at home and abroad; how the materialization of the American themes already espoused by the brand at their theme parks created a place where collective memory lives; how legitimization by presidents and other national figures gave the theme parks standing; no other entertainment space has how Disney has changed alongside the American people and continues to do so today. This book will be of interest to students and scholars of history, media, cultural studies, American studies, and tourism.

Proceedings of the Workshop on Computer Vision--Representation and Control, April 30-May 2, 1984, Hilton Hotel, Annapolis, Maryland, 1984

Gender, Technology and Violence Marie Segrave, Laura Vitis, 2017-06-26 Technological developments move at lightening pace and can bring with them new possibilities for social harm. This book brings together original empirical and theoretical work examining how digital technologies both create and sustain various forms of gendered violence and provide platforms for resistance and criminal justice intervention. This edited collection is organized around two key themes of facilitation and resistance, with an emphasis throughout the whole collection on the development of a gendered interrogation of contemporary practices of technologically enabled or enhanced practices of violence. Addressing a broad range of criminological issues such as intimate partner violence, rape, and sexual assault, online sexual harassment, gendered

political violence online culture cyberbullying and human trafficking and including a critical examination of the broader issue of feminist vigilantism and resistance to online sexual harassment this book examines the ways in which new and emerging technologies facilitate new platforms for gendered violence as well as offering both formal and informal opportunities to prevent and or respond to gendered violence Education in Vietnam Martin Hayden,Thi Le Tran,2024-08-02 Offering insights into the current and projected future state of the education system in Vietnam this edited volume is an authoritative sourcebook for scholars policy analysts academic staff and students Vietnam is well on its way to joining the dress circle of high achieving education nations in Asia International surveys of the academic aptitude and ability of the nation s youth consistently place it well above relevant regional and global averages This accomplishment is remarkable for a country with a gross domestic product per capita of only US 2 785 in 2020 The dynamics of Vietnam s national education system are comprehensively documented in the book Each of the country s education sectors is critically appraised as well as the culture of education in Vietnam Specific issues concerning funding and equity quality and accreditation the teaching of curriculum areas the internationalisation of the system and the provision of educational opportunities for young people with disabilities are carefully analysed against a background of relevant global trends With contributions from well established and highly respected local experts with high aspirations for the future development of the national education system in Vietnam this book will be a must read for academics and students of Southeast Asian studies and comparative education **Feminist Pragmatism and Social Rights** Judy D. Whipps,2024-12-16 In an exploration of the little told legacy of early feminist pragmatists who pioneered social rights in America Feminist Pragmatism and Social Rights delves into the transformative efforts of trailblazing figures including Jane Addams Julia Lathrop Florence Kelley Grace Abbott Mary Church Terrell Mary McLeod Bethune Emily Greene Balch Molly Dewson and Frances Perkins As Judy D Whipps reveals these women created and led organizations that were prototypes for later federal programs Their relentless advocacy reshaped U S politics and culture from grassroots organizations to federal legislation paving the way for constitutional recognition of social rights decades before the United Nation s International Covenant on Economic Social and Cultural Rights This book is the first to cast the philosophy behind these women s political and judicial activism as feminist pragmatism Each chapter illuminates their struggles and triumphs from combating child labor to advancing women s rights and after their research gathered popular support for reform they continued that work by writing drafts of legislation and legal briefs This book not only chronicles a pivotal fifty year movement but also serves as a poignant reminder of their enduring impact **Psychological variables, physical activity and physical education** Víctor Arufe Giráldez,Rui Matos,Rubén Navarro-Patón,Alberto Sanmiguel-Rodríguez,2023-05-24 **Code of Federal Regulations, Title 24, Housing and Urban Development, PT. 700-1699, Revised as of January 1, 2014** U S Office of the Federal Register,2014-08-11 The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by the Executive departments and
