Gupta,Somya Ranjan Sahoo,2021-02-26 In recent years virtual meeting technology has become a part of the everyday lives of more and more people often with the help of global online social networks OSNs These help users to build both social and professional links on a worldwide scale The sharing of information and opinions are important features of OSNs Users can describe recent activities and interests share photos videos applications and much more The use of OSNs has increased at a rapid rate Google Facebook Twitter LinkedIn Sina Weibo VKontakte and Mixi are all OSNs that have become the preferred way of communication for a vast number of daily active users Users spend substantial amounts of time updating their information communicating with other users and browsing one another s accounts OSNs obliterate geographical distance and can breach economic barrier This popularity has made OSNs a fascinating test bed for cyberattacks comprising Cross Site Scripting SQL injection DDoS phishing spamming fake profile spammer etc OSNs security Principles Algorithm Applications and Perspectives describe various attacks classifying them explaining their consequences and offering It also highlights some key contributions related to the current

defensive approaches Moreover it shows how machine learning and deep learning methods can mitigate attacks on OSNs Different technological solutions that have been proposed are also discussed The topics methodologies and outcomes included in this book will help readers learn the importance of incentives in any technical solution to handle attacks against OSNs The best practices and guidelines will show how to implement various attack mitigation methodologies   **Hate Speech Frontiers** Alexander Brown,Adriana Sinclair,2023-11-09 A deep dive into the theoretical and practical distinctions between the common understanding of hate speech and its legal definitions   *Fundamental Rights Protection Online* Bilyana Petkova,Tuomas Ojanen,2020-12-25 Fundamental Rights Protection Online presents an in depth analysis of national supranational and international attempts at online speech regulation illustrating how the law has been unsettled on how to treat intermediaries   *Principles of the Digital Services Act* Martin Husovec,2024-08-14 Numerous questions were at the heart of parliamentary discussions over the provisions of the Digital Services Act DSA the EU s new regulatory framework for digital services in Europe How should liberal democracies prevent illegal and harmful activities online and protect fundamental rights How should digital service providers assess the impact of their technology on others And how should technology companies moderate user generated content Principles of the Digital Services Act analyses the DSA s key provisions dissecting its mechanisms and components to understand the new law s likely impact on digital services in Europe and beyond The book puts the new legal framework into its political economic and social contexts by explaining its grounding within the frameworks of economic regulation and human rights It examines the European legislature s approach to the DSA offering a detailed historical account of the legislative and pre legislative process The book argues that the envisaged regulatory system has the potential to boost trust in the digital environment However its mechanisms must be able to rely on the robust network of civil society organisations and the regulators should follow a set of principles In this way the DSA s goal can be achieved through means that are firmly aligned with respect for individual liberties including the freedom of expression Combining academic research with practical insights Principles of the Digital Services Act offers a robust analysis into how to apply and further develop the most important tools of the DSA to rebuild trust in the digital environment   **The Brussels Effect** Anu Bradford,2020-01-27 For many observers the European Union is mired in a deep crisis Between sluggish growth political turmoil following a decade of austerity politics Brexit and the rise of Asian influence the EU is seen as a declining power on the world stage Columbia Law professor Anu Bradford argues the opposite in her important new book The Brussels Effect the EU remains an influential superpower that shapes the world in its image By promulgating regulations that shape the international business environment elevating standards worldwide and leading to a notable Europeanization of many important aspects of global commerce the EU has managed to shape policy in areas such as data privacy consumer health and safety environmental protection antitrust and online hate speech And in contrast to how superpowers wield their global influence the Brussels Effect a phrase first coined by Bradford in 2012 absolves the EU from

playing a direct role in imposing standards as market forces alone are often sufficient as multinational companies voluntarily extend the EU rule to govern their global operations The Brussels Effect shows how the EU has acquired such power why multinational companies use EU standards as global standards and why the EU s role as the world s regulator is likely to outlive its gradual economic decline extending the EU s influence long into the future   **Social Media and Public Relations** Deirdre K. Breakenridge,2012-04-17 In Social Media and Public Relations Eight New Practices for the PR Professional social marketing pioneer Deirdre Breakenridge teaches and demonstrates the eight new skills and mindsets PR marketing pros need to build brands and engage customers in a social world This concise action oriented book shows practitioners how to systematically expand their roles improve their processes and sharpen their strategies to engage with today s more sophisticated and socialized customers Drawing on her extensive client experience Breakenridge helps you respond to consumers who demand control over their own brand relationships marry communications with technology more effectively and become your organization s go to resource on social technology decisions reflect social media realities throughout your policies and governance generate greater internal collaboration eliminating silos once and for all listen to consumers conversations and apply what you re learning build communications crisis plans you can implement at a moment s notice develop profound new insights into how consumers construct and perceive their brand relationships practice reputation management on steroids take the lead on identifying and applying metrics and much more For all PR marketing and communications executives and professionals and for students intending to enter these fields   *Global Perspectives on Press Regulation, Volume 1* Paul Wragg,András Koltay,2023-09-21 In this ground breaking two volume set world leading experts produce a rich authoritative depiction of the world s press its freedom and its limits We want press freedom but we also want freedom from the press A powerful press may expose a corrupt government or aid it It may champion citizens or unfairly attack them A vulnerable press may lack supporters and succumb to conformity It may resist and overcome tyranny According to common belief press freedom involves social responsibilities to equip public debate and render government transparent Is this attitude valid given that the press is usually a private commercial actor Globally the health authority and viability of the press varies dramatically These patterns do not conform to traditional divisions between North and South East and West Instead they are much more complex How do we measure successful press regulation What concessions can the state and or society demand from the press What constitutes the irreducible core of press freedom The contributions in Volume 1 look at key jurisdictions in Europe whereas Volume 2 goes beyond Europe to analyse the situation in key jurisdictions in Asia Africa the Americas and Oceania Each volume can be used independently or as part of the complete set This work will be incredibly valuable to policymakers and academics who seek to capture the global picture for the purposes of effecting change   *Electronic Commerce 2018* Efraim Turban,Jon Outland,David King,Jae Kyu Lee,Ting-Peng Liang,Deborrah C.
