personal relationship with God 1Co 2 14 acknowledges this concept The person without the Spirit does not accept the things that come from the Spirit of God but considers them foolishness and cannot understand them because they are discerned only through the Spirit This verse highlights that spiritual understanding is a gift of the Holy Spirit and without that spiritual discernment the truths of God may seem incomprehensible or even foolish to those who are not yet believers Recognizing and acknowledging our sinful condition is a crucial step in becoming a child of God This acknowledgment is foundational to the process of salvation and reconciliation with God Here are some key elements of this process

Recognizing Sin The first step is to acknowledge that we have all fallen short of God's perfect standard Ro 3 23 We must come to terms with our sinfulness and realize that it separates us from a holy and righteous God

Repentance Once we recognize our sinful condition we should be moved to repentance Repentance involves a genuine sorrow for our sins and a turning away from them It's a change of heart and mind that leads us to seek forgiveness and a new way of living

Faith in Jesus Christ Accepting our sinful condition is only part of the equation We also need to place our faith in Jesus Christ as our Savior and Lord It is through faith in Jesus that we receive forgiveness of sins and become children of God Joh 1 12

Confession Confessing our sins to God is an important aspect of the process When we confess our sins we are agreeing with God about our need for forgiveness and cleansing God is faithful and just to forgive us when we confess our sins 1Jo 1 9

Receiving God's Grace Salvation is a gift of God's grace We cannot earn it through our efforts or good works It is by God's grace that we are saved through faith Eph 2 8

New Life in Christ Once we accept our sinful condition repent place our faith in Christ and receive God's forgiveness we are born again as children of God This new birth transforms us and the Holy Spirit comes to dwell within us empowering us to live a life that is pleasing to God

Accepting our sinful condition is the starting point of a journey toward becoming a child of God It's an acknowledgment of our need for a Savior and a recognition of God's abundant love and grace that provides the way for us to be reconciled to Him

Cheung,Andrew B. Spurgeon,2018-12-31 Criminals in Hong Kong and China are often superstitiously religious Ironically both they and police officers worship the same folk god Guan Gong who represents righteousness But their religiosity has no moral consequences what both groups are seeking is protection from their opponents Unfortunately some Asian Christians have a similar model of religiosity They want God s protection and blessings but they do not want God to affect how they live James will have none of this He is convinced that our devotion to God must be reflected in the way we live and so he writes a letter that is full of sound practical advice He exhorts us to control our tongues he speaks against greed envy and wrong desires and he gives wise advice about enduring suffering praying for ailing believers and restoring believers who are tempted to depart from the truth Using Asian applications this commentary of James highlights the relevance the triune God has in all contexts of life The Asia Bible Commentary Series empowers Christian believers in Asia to read the Bible from within their respective contexts Holistic in its approach to the text each exposition of the biblical books combines exegesis and application The ultimate goal is to strengthen the Body of Christ in Asia by providing pastoral and contextual exposition of every book of the Bible
