on a variety of devices Family Bonds Ellen K. Feder,2007-08-06 Feminist and critical race theorists alike have long

girls And yet even as many have sought to attend to this intersection of difference most critical treatments focus finally either
on the production of gender or the production of race Family Bonds proposes a new way to think about the categories of
gender and race together It first explicates and then puts to work Foucault s archaeological and genealogical methods to
advance the main argument of the book Gender is best understood primarily as a function of disciplinary power operating

and 60s the development of the diagnosis of Gender Identity Disorder 1970s and 1980s and the federal coordination of
scientific research on violence 1980s and 1990s Together they make up a larger story about the construction of race and
gender in the U S in the second half of the twentieth century and demonstrate the centrality of the family in these
constructions Rather than a formal study of Foucault s own work Family Bonds is an effort to produce genealogies of the sort

that Foucault himself hoped his work would prompt **The Praxis Series Official Guide, Second Edition** Educational Testing Service, 2009-12-01 The only official guide to The Praxis Series teacher licensing exams straight from the test makers If you're looking for the best most trustworthy guide to the exams in The Praxis Series you've found it This official Praxis guide comes straight from ETS the people who actually make the tests It will show you exactly what to expect whether you're taking the PPST test to begin your teaching career the PLT to demonstrate your professional expertise or a Praxis II Subject Test to prove your knowledge of a specific K-12 teaching topic Only ETS can give you real Praxis questions for practice show you exactly what you'll see on screen on the computerized exams and share with you the test maker's own strategies for success That's why this guide is your indispensable source for everything you need to know about The Praxis Series No other Praxis guide gives you 3 full length real PPST exams fully updated to reflect the latest test format Actual PLT and other Praxis questions in the latest formats Sample PPST essays with actual raters' comments The most current state by state teacher certification testing requirements Comprehensive outline of PLT study topics Thorough coverage of Praxis II Elementary Education tests ETS is a private nonprofit organization devoted to educational measurement and research primarily through testing ETS develops and administers millions of achievement and admissions tests each year in the United States and 180 other countries These include the TOEFL GRE Praxis and other standardized tests For more information from ETS on individual Praxis II exams visit www.ets.org/praxis
