Beck, 2017-10-04 Who reads academic histories Should historians reach out more beyond academia to the general public Why do Hollywood films historical novels and television histories prove more successful in presenting the past to a wider audience What can historians do to improve their effectiveness in reaching and engaging their target audience in a digital age The way history is presented to an audience is often taken for granted even ignored *Presenting History* explores the vital role played by presenters in both establishing why history matters in today s world and communicating the past to audiences within and outside academia Through case studies of leading historians historical novelists Hollywood filmmakers and television history presenters this book looks critically at alternative literary and visual ways of presenting the past as both academic history and popular history Historians discussed include Stephen Ambrose Niall Ferguson Eric Hobsbawm Robert A Rosenstone Simon Schama Joan Wallach Scott and A J P Taylor Chapter topics include Hollywood and history Michael Bellesiles controversial history of gun rights in the USA Philippa Gregory s historical novels historians and the David Irving trial and Terry Deary s *Horrible Histories* Raising serious questions about the nature study and communication of history *Presenting History* is an essential text for historians and history students as well as anyone involved in listening to reading or watching presenters of the past *The Barmy British Empire* Terry Deary, 2009 Consuming History Jerome de Groot, 2009-01-13

Non academic history public history is a complex dynamic entity which impacts on the popular understanding of the past at all levels In Consuming History Jerome de Groot examines how society consumes history and how a reading of this consumption can help us understand popular culture and issues of representation This book analyzes a wide range of cultural entities from computer games to daytime television from blockbuster fictional narratives such as Da Vinci Code to DNA genealogical tools to analyze how history works in contemporary popular culture Jerome de Groot probes how museums have responded to the heritage debate and the way in which new technologies have brought about a shift in access to history from online game playing to internet genealogy He discusses the often conflicted relationship between public and academic history and raises important questions about the theory and practice of history as a discipline Whilst mainly focussing on the UK the book also compares the experiences of the USA France and Germany Consuming History is an important and engaging analysis of the social consumption of history and offers an essential path through the debates for readers interested in history cultural studies and the media

History and Humour Barbara Korte,Doris Lechner,2014-03-15 One tends to associate history with serious modes of presentation rather than with humorous ones Yet Clio also smiles and laughs out loud Comic renderings of historical events and figures have made a significant contribution to popular history since around 1800 This volume offers case studies on history and humour in Britain and the US from 1800 to the present discussing various historical topics actors and events from the Middle Ages to the recent past
