Southall,Mark S. Nagel,Ellen J. Staurowsky,Richard T. Karcher,Joel G. Maxcy,2023-05-04 A well constructed and reasoned debunking of the mythology of amateurism in for profit NCAA athletics For the last 60 plus years as the revenue generating capacity of Power Five football and men s basketball has dramatically increased NCAA Division I Power Five football and men s basketball players college profit athletes have been economically exploited their labor has been severely restricted To mask this inequity the NCAA and its members created disseminated and embedded a fictitious collegiate model of athletics established and repeatedly modified for the benefit of member schools designed to ensure profit athletes were denied employment status and just compensation for their athletic labor The NCAA and the Exploitation of College Profit Athletes An Amateurism That Never Was provides a comprehensive historical sociological legal financial and managerial argument for the reclassification of profit athletes as employees Such a reclassification would permit profit athletes to gain not only fair financial compensation but also equal access to educational benefits that have been promised but systematically denied The authors trace how Power Five college sports have morphed into a hyper professionalized and commercialized sport business enterprise They provide evidence that at least since 1956 the NCAA s amateurism has been a collusive exploitative and racialized pay for play scheme that disproportionately affects Black profit athletes The authors cut through the institutional doublespeak of approved benefits cost of attendance stipends or name image likeness NIL collectives to lay bare the immorality of Power Five college sports The NCAA and the

Exploitation of College Profit Athletes makes the case that profit athletes and their representatives must have the right to unionize and freely negotiate a collective bargaining agreement with management e g NCAA Power Five conferences and athletic departments In addition this book offers a forward thinking structure in which individual labor contracts or a potential collective bargaining agreement address profit athlete compensation and working conditions     **Transformative Intercultural Global Education** Barreto, Isabel María Gómez,Roman Etxebarrieta, Gorka,2024-05-13 In this tumultuous world characterized by unprecedented migratory movements societal evolution intersects with an increasing diversity that presents profound challenges The global landscape is marked by 33 armed conflicts in 2022 alone resulting in forced displacement and an exceeding count of 100 million displaced individuals worldwide The traditional understanding of migration as a response to individualized prosecution has expanded to encompass survival migration incorporating environmental change and livelihood collapse This paradigm shift necessitates a reevaluation of human rights and a compelling call for transformative global and intercultural education to address the vulnerabilities inequities and discrimination faced by displaced and native youth Transformative Intercultural Global Education is a project aimed at shedding light on educational inequalities stemming from race migration forced displacement and cultural factors Through innovative empirical results theoretical frameworks and educational practices this book seeks to contribute to quality education and subsequently a more sustainable society The objective is to provide educators with proposals that strengthen educational policies and programs aligned with global citizenship fostering sensitivity critical thinking and commitment towards respectful and tolerant coexistence The research outcomes are designed to encourage actions that promote equity social justice and the sustainable development of a global society     **Who's Who in the West, 1996-1997** Marquis Who's Who,Marquis Who's Who Staff,1995-11     **Scientific American** ,1895     **Subject Guide to Books in Print** ,1983     **American Machinist** ,1951     **The Philosopher's Index** ,1985 Vols for 1969 include a section of abstracts     **Who's who in the Midwest** ,1986     *The Martindale-Hubbell Law Directory* ,1998     **Forthcoming Books** Rose Arny,1983     *Who's who in American Education* ,1992     Annuaire Des Organisations Internationales ,1967 Edition for 1983 84 published in 3 vols vol 1 Organization descriptions and index vol 2 International organization participation vol 3 Global action networks edition for 2012 2013 published in 5 vols vol 4 International organization bibliography and resources vol 4 Statistics visualizations patterns     **The Publishers' Trade List Annual** ,1985     **Who's who of American Women, 1991-1992** ,1991     Haines San Mateo County Criss-cross Directory ,2009     Arts & Humanities Citation Index ,1990
