**Seventy Years of Farm Tractors 1930-2000** Brian Bell,2020-02-20 By the end of the twentieth century there were some half million tractors on British farms more machines than people to drive them Brian Bell s encyclopaedic book traces the evolution of the farm tractor from the days of starting handle and pan seat to current 4 wheel drive machines with air conditioned cabs and computer management systems He deals in particular with developments of the classic period from the 1950s to the 1990s The book is arranged alphabetically by manufacturer from Allis Chalmers to Zetor one hundred marques in total These are all machines to be found on British farms irrespective of their country of manufacture Brian runs concisely through the histories of the companies and their major models illustrated with a wealth of photographs and extracts from sales literature He adds some special features on items such as hydraulic systems and cold starting aids He includes a glossary and full index This book replaces the author s earlier successful Fifty Years of Farm Tractors Many of the photographs are new and the text has been brought up to date to include developments of the early twenty first century

*Opencast Images* Dave Wootton,2019-10-01 In the United Kingdom surface coal mining began in 1942 in response to a national shortage of deep mined coal By the 1980s when Dave Wootton began touring sites and taking photographs the industry was firmly established

with major operations and very large machinery His fully captioned pictures cover the period from 1986 until British Coal Opencast BCO was privatised in 1994 There are panoramic shots showing the scale of operations and fine close ups of individual machines of many kinds at work He includes several walking draglines such as the 4000 ton Ace of Spades the largest of its kind in Europe Another record holder was O K s RH300 hydraulic shovel beautifully photographed by Dave at its Godkin Derbyshire workplace Dave visited some two dozen sites in Derbyshire Northumberland Yorkshire South Wales and elsewhere capturing the full range of surface mining activities The equipment was manufactured by famous names such as Caterpillar Ransomes Rapier and Demag BCO used contractors so Wimpey Taylor Woodrow Fairclough and others are all seen playing their parts The surface mining industry has changed considerably since 1994 meaning that this collection of photographs has great historic interest for enthusiasts The author also includes a short history of BCO some machine specifications and copies of publicity material Trucks in the 1980s: The Photos of David Wakefield Nick

Ireland,2015-07-20 Many would argue that the 1980s were a better time for truck drivers than nowadays there were no cell phones there was less traffic on the road CB radio was all the rage and stickers were the simple heart of truck customizing However the transport industry is constantly evolving and companies must adapt their vehicles to keep pace with the developments As a result vehicle design and liveries regularly change Many of the companies around in the 1980s have expired and been forgotten Most of the trucks from that time are long gone to the great scrapyards in the sky David Wakefield has been working in the transport industry for over 30 years and has been taking photographs of trucks since the early 1980s He has amassed thousands of high quality images producing one of the most comprehensive photographic collections of the time but many of his photographs have never been previously published In this vivid compilation Nick Ireland has collated 300 of David s images from the 1980s in order to preserve them and make them publicly available for the first time The book features trucks from all over the world and it is a must have for current and former truckers who will enjoy being reminded of the good old days as well as anyone else with an interest in transport history Subject History Transportation Photography

Farming in Miniature is an essential guide for collectors of British toy models interested in farm tractors farm horses and associated agricultural equipment The manufacturers brands are arranged alphabetically Each manufacturer has its own chapter introduced by an account of its history These introductions cross refer to the captioned photographs that follow and which make up the bulk of the chapters In their general introduction the authors say that they have attempted to illustrate all significant variations of colour and packaging particularly of rare or unusual models so as to make the book as

comprehensive as possible The three authors all leading authorities have drawn on their extensive past experience coupled with another five years to research write and prepare photographs **ERF B C, CP & E-Series at Work** Patrick

Dyer, 2015-09-03 Patrick Dyer's eighth book in the at work series takes the reader on a journey with ERF England's last independent truck manufacturer between the years 1975 and 1993 with the B C CP and E series trucks that the Sandbach based company produced in the face of overwhelming competition from foreign manufacturers Apart from the renowned economy reliability and longevity of the products the B C CP and E series truck ranges were all linked by the remarkable SP cab which combined a steel cage with bolt on SMC panels The system was so revolutionary that ERF patented it The low cost of design and manufacture allowed it to update and improve its cabs with each series ERF B C CP E series at Work draws on over 200 fine photographs from the manufacturer and trucking enthusiasts which combine with the informative text to tell the remarkable story of these ERF products through some of the most turbulent years of the company's existence

**Beyond the Bosphorus: British Drivers on the Middle-East Routes** Dave Bowers, 2015-07-01 The Middle East has always been one of the most challenging destinations for lorry drivers In the 1970s and 80s many drivers may not have even heard of the destinations they were sent to before heading out eastwards Along the way they endured extreme weather conditions bureaucratic nightmares and the physical trials of keeping themselves and their trucks operational over many thousands of miles of poorly maintained and dangerous roads Their adventures have become legendary within the trucking world In this book Dave Bowers tells with humour and insight the amazing stories of people driving to Middle East destinations battling against all the odds to deliver their loads The inspiration comes from his own experience through those

routes and in particular on one adventurous journey homewards from Tehran in 1975 when he happened to be stranded in Iran with no cash to speak of and spending many nights sleeping in abandoned trailers along the way Dave travelled homewards after he was given lifts in trucks returning to Europe These were driven by drivers who had many tales to tell and this book was motivated by the need to keep these fascinating stories alive Illustrated with photographs of the drivers and vehicles taken at the time Beyond the Bosphorus records what it was like for ordinary HGV drivers to get involved in something so dramatically different from their everyday working lives in the UK It will be of interest to lorry drivers general vehicle enthusiasts and also those with a historical and social interest in the Middle East alike **Chewing the Cud** Brewis Henry,2019-10-01 The sheep are on the road again the cows are in the corn the bank is on the telephone the pigs are on the lawn The combine s standing idle and we cannot get it fixed both m fortunes and m farming are best described as mixed This title includes cartoons and verses from the master of farming humour **The Farming Joke Book** John Terry,2019-08-01 The Farming Joke Book brings together around 500 jokes amusing stories and anecdotes about farmers farm animals and life on the farm in general So whether one has been farming for donkey s years or is new to it and whether these farming two liners make the reader laugh cry or just groan out loud there will definitely be something in this collection that will tickle anyone s farming funny bones Divided into 16 categories and with 32 specially commissioned illustrations by Rory Walker this pocket sized book will provide hours of enjoyment and is the perfect tool for the farmer wanting to entertain friends family and colleagues no matter his or her age Subject Humor Agriculture Ipswich David Kindred,2019-10-01 If you walk through Ipswich you become aware of how buildings of all periods jostle each other for space There are remnants of fine medieval and Tudor dwellings terraced streets from the 19th century as well as developments from the 20th and 21st centuries David Kindred s book throws light on how Ipswich has developed since the 1880s when photography outdoors first became practical He has drawn on a wide range of sources including some photographers whose work was outstanding Harry Walters for example was making high quality images in the 1890s Similarly the curator of the Ipswich museum in the 1930s Guy Maynard recorded areas where changes to the town were planned including photographs of the housing around Cox Lane and the Potteries Amateur photographers have also played their part capturing the questionable changes of the 1960s They have photographed the recent transformation of the dock area from a commercial hub to a mainly residential and leisure scene complete with a new university building The 300 plus photographs chosen and captioned by David Kindred bring to life the past and present of Suffolk s county town the town on the Orwell We Waved to the Baker: Tales of a Rural Childhood Andrew Arbuckle,2009-10-30 This title presents a series of childhood memories which are nostalgic amusing and full of warmth There were four children in this farming family three boys and their younger sister who often courted unintentional disaster at the hands of her brothers Join Andrew in his reminiscences of Sunday school school reports secret hideouts and an almost serious farm accident *Scania 113 and 143 at Work* Patrick W. Dyer,2020-11-01 Patrick Dyer s

ninth book in the at work series marks a return to Scania to study the 3 series trucks produced between 1988 and 1996 with the emphasis on the 113 and 143 models In much the same way as these trucks evolved from the previous 2 series and LB 1 series so too does the book taking the story forward from the previous titles covering those ranges For Scania masters of the modular system and evolutionary engineering processes the 3 series represented the pinnacle of development for designs born decades earlier Industry recognition of its achievement came early with the range being awarded the Truck of the Year title in 1989 With over 200 photographs provided by the manufacturer and enthusiasts Scania 113 143 at Work charts the story of the 3 series through informative text in the popular and familiar style of previous at work titles from the same author
