Fireflies Julie Brinckloe:

Fireflies Julie Brinckloe, 1985 *Fireflies* is Julie Brinckloe's reflection on a classic theme in children's literature: the need to set something free in order to keep it. The Horn Book A young boy is proud of having caught a jar full of fireflies which seems to him like owning a piece of moonlight but as the light begins to dim he realizes he must set the insects free or they will die.

Mentor Texts Rose Cappelli, 2023-10-10 In their first edition of *Mentor Texts* authors Lynne Dorfman and Rose Cappelli helped teachers across the country make the most of high quality children's literature in their writing instruction. *Mentor Texts: Teaching Writing Through Children's Literature K-6* 2nd Edition the authors continue to show teachers how to help students become confident accomplished writers by using literature as their foundation. The second edition includes brand new 'Your Turn' Lessons built around the gradual release of responsibility model offering suggestions for demonstrations and shared or guided writing. Reflection is emphasized as a necessary component to understanding why mentor authors chose certain strategies, literary devices, sentence structures and words. Dorfman and Cappelli offer new children's book titles in each chapter and in a carefully curated and annotated 'Treasure Chest'. At the end of each chapter a 'Think About It' 'Talk About It' 'Write About It' section invites reflection and conversation with colleagues. The book is organized around the characteristics of good writing: focus, content, organization, style and conventions. The authors write in a friendly and conversational style employing numerous anecdotes to help teachers visualize the process and offer strategies that can be immediately implemented in the classroom. This practical resource demonstrates the power of learning to read like writers.

[Tell Your Story](#) Pam Allyn, Ernest Morrell, 2022-11-01 Learn how to increase students' skills as writers and storytellers with an innovative, inclusive and empowering framework for teaching writing that centers student voice. *Tell Your Story: Teaching Students to Become World-Changing Thinkers and Writers* explores how to help students see themselves as writers and storytellers who are developing the skills and techniques to communicate in ways that resonate with various audiences. When students make that shift and see themselves as active and valued participants in their own communities, cultures and literary journeys, they become powerful writers eager to explore and share ideas.
