Systematic Reviews of Research in Basic Education in South Africa Felix Maringe,2021-04-09 Maringe ought to be commended for putting together an invaluable contribution to our understanding of research into a complex education system in South Africa This volume provides a useful foundation to the current state of education quality in South Africa including the impact of interventions It also brings to the fore challenges still facing education transformation The evidence presented which taken together lays out a coherent view of how improvements could be made Albert Chanee Head of Planning Gauteng Department of Education For too long the weight of educational scholarship produced in South Africa has been limited to that simple and standard form called the literature review Now for the first time education researchers are provided with an African based text on the concepts and methods of conducting systematic reviews In this exceptional work of editorship Felix Maringe brings together some of the leading researchers on South African education to model and demonstrate how to review a significant body of research on a chosen topic which is adjudicated strictly on the basis of the quality and efficacy of the evidence in hand I have no doubt that this remarkable book will become a standard reference for educational researchers in and beyond the African continent It will also lift the quality of educational inquiry by equipping a new generation of scholars with the capacity for doing evidence based research that compels the attention of policymakers planners and practitioners alike Prof Jonathan Jansen Stellenbosch University **Drum** ,2009-04 **Taking Power in the Economy** Susan Brown,Alta Fölscher,2004 Covers trends from the mid1990s to 2002 **State of the Nation** Sakhela Buhlungu,2007 State of the Nation South Africa 2007 offers 22 diverse angles on contemporary South Africa in one

compelling and comprehensive collection The politics section focuses on the outcome of the 2006 local government elections and issues of service delivery The economy section examines the rapidly growing social welfare net the state of our public health systems and the topics of water and the environment heritage and tourism Violence against women prison reform the plight of South Africa s former guerrilla fighters transformation in South African rugby and the post apartheid role of the church all come under the spotlight in the society section The volume concludes with a look at trends in the continuing involvement of South African business on the African continent South Africa s part in the complex search for peace and stability in the Democratic Republic of Congo and the life of the vast Zimbabwean exile community in South Africa

Primary Education in Crisis Brahm Fleisch,2008 In the past decade the national preoccupation has been on the crisis in secondary schools Lurking behind the intractable problem of low pass rates the dysfunctional schools and the small number of higher grade mathematics and science graduates is the calamity in primary education Drawing on the work of researchers in a range of fields including psychology sociology anthropology linguistics economics the health sciences and mathematics education this book documents the depth and scope of the primary education crisis and provides a comprehensive and rigorous explanation of its causes Primary education in crisis pulls together the wealth of research on health poverty resources language and teaching as factors in academic achievement in reading writing and mathematics At the centre of the book is an analysis of the published studies that systematically document what teachers teach and fail to teach and why it is that teaching is at the heart of the crisis in primary education The author suggests that there are no quick fixes but only hard choices and that for reform to succeed it must be evidence based State of the Nation ,2007 **Financial Mail** ,2004-11
