

Julius Caesar Act IV Reading Guide

Quote	Who said it and to Whom?	What it Means (Significance)
He must be taught, and trained, and bid to go forth – On objects, arts, and imitations, Which out of use and staled by other men, Begin his fashion. Do not talk of him But as a property... Brutus and Cassius are levying powers. We must straight make head, Therefore let our alliance be combined, Our best friends made, our meetings stretched, And let us presently go sit in council, How covert matters may be best disclosed, And open perils surest answered. Act 4, Scene 1		
When love begins to sicken and decay It useth an enforced ceremony, there are no tricks in plain and simple faith: But hollow men, like horses hot at hand, Make gallant show and promise of their mettle: But when they should endure the bloody spur, They fall their crests and, like deceitful jades, Sink in the trial. Act 4, Scene 2
