Wilke, Julia Kitchens Wilke Trust, 2010-09-01 DISCIPLE is a program of disciplined Bible study aimed at developing strong Christian leaders The study gives the Old and New Testaments equal time emphasizing the wholeness of the Bible as a revelation of God DISCIPLE draws upon the work of scholars the personal Bible reading and study of the participant and dynamic group discussion to aid understanding of the Bible The first study in the program is DISCIPLE BECOMING DISCIPLES THROUGH BIBLE STUDY a thirty four week overview of the entire Bible Commitment and Time Involved Three and one half to four hours of independent study each week 40 minutes daily for leaders and 30 minutes daily for group members in preparation for weekly group meetings Attendance at weekly 2 5 hour meetings Study Manual Each member of the group needs a study manual and a Bible The Bible is the text for the study and the study manual will guide group members in their study and preparation for the weekly group session The study manual also includes suggestions for individual and study related activities Space is provided for taking notes while reading Scripture for recording thoughts and questions arising out of daily study and for notes during the weekly group session The titles of the sessions along with theme words and theme verses and major persons events and topics will set the sequence of the biblical story in the minds of the participants The principal Scripture for each session follows the chronological movement of the biblical story We recommend the New Interpreters Study Bible More Questions Visit www.cokesbury.com/disciple **Energy Research Abstracts** , 1979

Books in Print Supplement , 2002 Planetary Defense Nikola Schmidt, 2018-12-26 Planetary defense from near Earth objects such as asteroids is a far more nuanced and challenging topic than it might seem Each day technology is making it easier to detect asteroid impact threats in advance but at present there is still no easy way to design and implement any form of global defense This book examines how various asteroid deflection methods can change global political affairs The authors believe that the final policy for potential Earth impacts should be based on practical engineering solutions and innovative architectural structures while at the same time reflecting the most recent political science contributions in ethical security studies and security cosmopolitanism Their focus is not limited to effective engineering solutions but rather extends to how such proposals resonate in possible political structures of the future Planetary defense cannot be achieved with technology

alone the chapters in this volume highlight the issues that arise when space science and technology intersect with political science This complex interdisciplinary project not only demands global participation and collaboration but also proposes the way we can achieve it The authors explore various concepts of governance and their far reaching implications for planetary defense and vice versa how scientific progress in Solar System observations and asteroid collision engineering influence political science and put pressure on the international legal framework The text is intentionally written for a diverse scholarly and diplomatic audience in a style accessible to non specialists and practitioners and can be read by those across diverse disciplinary backgrounds Alternatives ,1977 Perspectives on society and environment **Large Space Structures & Systems in the Space Station Era** ,1990 **Bulletin of the Atomic Scientists** ,1959-02 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin s iconic Doomsday Clock stimulates solutions for a safer world *Whitaker's Book List* ,1991 **Books in Print** ,1982 **Bulletin of the Atomic Scientists** ,1958-03 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin s iconic Doomsday Clock stimulates solutions for a safer world **Subject Guide to Books in Print** ,1997 Astronautics Information Abstracts, Reports and Open Literature Jet Propulsion Laboratory (U.S.),1963
