The Tax Law of Private Foundations Bruce R. Hopkins, Jody Blazek, 2018-09-19. Make sense of the new regulatory requirements with expert clarification and practical tools for compliance. Private Foundations Tax Law and Compliance 5th Edition provides clarification, expert insight, and helpful instruction for executives and supporting professionals navigating extensive federal tax law requirements. Despite their relatively low numbers, private foundations are subject to complex, burdensome regulations that continue to expand. The recent tax overhaul has compounded this issue, bringing massive changes beyond the usual annual adjustments and throwing a wrench into the status quo of compliance as usual. This book summarizes and clarifies the statutory regulations governing private foundations, offers expert insight into the underlying logic, and provides a host of practical tools that ease the filing process and help ensure compliance with the latest laws. Detailed explanations are bolstered by checklists, sample documents, and letters, practice forms, and real-world examples in order to provide both conceptual and practical guidance for maintaining tax-exempt eligibility and tax compliance. By untangling the complex maze of constantly evolving requirements, this book offers a much-needed resource to those tasked with ensuring compliance amidst regulatory changes year after year. Learn how the recent changes to tax laws affect private foundations and related organizations. Understand the practical implications of maintaining compliance. Access critical tools that help streamline the filing process. Avoid mistakes and oversights with line-by-line instruction. This book is updated annually to provide guidance based on the most recent iteration of the law, but this year's edition is unusually critical: federal law has undergone sweeping changes that will substantially alter filings across the board, and the complex nature of the regulations governing private foundations promises additional confusion as the new laws are applied.
