

In the short story 'A Good Man is Hard to Find,' the Misfit character notes, 'I found out the crime don't matter. You can do one thing or you can do another, kill a man or take a tire off his car, because sooner or later you're going to forget what it was you done and just be punished for it' (O'Connor, Flannery. 'A Good Man is Hard to Find').

Maupassant and the American Short Story Richard Fusco, 2010-11-01 Maupassant and the American Short Story isolates and develops more fully than any previous study the impact of Maupassant's work on the writing of Ambrose Bierce O Henry Kate Chopin and Henry James It introduces a new perspective to assess their canons reviving the importance of many often ignored stories and in the cases of Maupassant and O Henry reasserting the necessity of studying such writers to understand the history of the genre An important moment in the history of the short story occurred with the American misreading of Maupassant's use of story structure At the turn of the century writers such as Bierce and O Henry seized upon the surprise inversion form because

Maupassant's translators promoted him as championing it. Only a few writers such as James and Chopin, both of whom read Maupassant in French, appreciated his deft handling of form more fully. Their vision and the impact of Maupassant upon their fiction was largely ignored by later generations of writers who preferred to associate Maupassant and O Henry with the trick ending story. This book details the origins and consequences of this misperception. The book further contributes to the study of the short story genre. Through an adaptation of Aristotelian concepts, Richard Fusco proposes an original approach to short story structure, defining and developing seven categories of textual formulas: linear, ironic, coda, surprise, inversion, loop, descending, helical, contrast, and sinusoidal. As a practitioner of all these forms, Maupassant established his mastery of the genre. By studying his use of form, the book asserts a major reason for his pivotal importance in the historical development of the short story.

An Introduction to the Study of Literature William Henry Hudson, 1922

Delve into the emotional tapestry woven by Crafted by in **How To Refer To A Short Story In An Essay** .
