

Mythology Board Game Project

During this next week or so, you will be designing your own board game. Remember all those great games you have played? Well, now you can make your own, your own rules, your own design, your own questions! The only thing is, you must relate it to Greek Mythology. First, before you start thinking about your "new" design, here's some a list of board games that you like to play, or ones that you have played before:

Board Game List

- | | | | |
|--------------------|----------------|-----------------------|---------------------------|
| • Candy Land | • Chess | • Clue | • Clue |
| • Applied to Apple | • Checkers | • Clue and
Ladders | • Hi Ho! Cherry-O |
| • Apples to Apples | • Clue | • Clue | • Hungry Hungry
Hippos |
| • That's a Wr! | • Connect Four | • Life | • Life on the Farm |
| • Cracker | • Go Fish | • Life on the Farm | • Mad Madness |
| • Backgammon | • Go Fish | • Life on the Farm | • Monopoly |
| • Battleship | • Go Fish | • Life on the Farm | • Mouse Trap |
| • Boggle | • Go Fish | • Life on the Farm | • Operation |
| • Candy Land | • Go Fish | • Life on the Farm | • Operation |
| • Checkers | • Go Fish | • Life on the Farm | • Operation |

Now, it's your turn to create a board game based off of Greek Mythology topics and concepts you have learned these past couple of weeks. If you would like, you can use the board games we talked about in class as a way to get you started on your own idea. Otherwise, you can create your own, unique idea for a board game! Something you need to keep in mind is that board games are fun, interactive, structured and **EDUCATIONAL**. Don't make this resemble a Trivial Pursuit! Use your creative minds to think of ways to relate this material to creating a board game.

Requirements:

Each board game made must have the following items included in the project:

- Actual playing board including game pieces and any necessary devices to complete your designed game
 - **Board must be original**, not one taken from a previously owned game.
- Game theme, questions, statements, layout, design must be related to Greek Mythology topics and concepts
- Rules: The rules must be written out, understandable, and applicable to the game you created
- Directions: How to play the game
- A maximum of 25 spaces (start, end, move forward/backward two spaces, etc.)
- Neat and organized
- Creative, colorful and pretty! Who wants to play a game with no character?
- Your board game must be playable—you will play each other's games later this week.

Grading:

Your games will be graded on the following criteria:

- Related to Greek Mythology, using key terms, themes and concepts from this unit study
- Creativity, uniqueness of the game
- Neatness, and organization of the game
- Directions of the game are either typed up and explained thoroughly
- Rules of the game are described very well so people know what they can and cannot do
- Grammar, spelling, and punctuation of directions, rules, and of game board—your game needs to be understandable!
- Playability—if you make it, you are going to want to play it!

What you need to remember as you are thinking about this is to have fun with it and how can you incorporate the information about Greek Mythology into your game while making the game fun and educational!
