

## MEDICAL SCREENING EXAMINATION (MSE)

- MUST be performed to determine, with reasonable clinical confidence, whether an emergency medical condition exists
- Must be uniform for all patients with similar complaints
- Triage is NOT a MSE
- Is performed by "qualified medical personnel"
- Is given to all individuals who come to the ED, including minors without a parent
- Includes ancillary services, such as laboratory tests, radiology studies, or consultations, as appropriate
- **Cannot be delayed to inquire about method of payment**
- MUST be documented; detailed documentation required when patient refuses a MSE or leaves without being examined or AMA because CMS will presume the patient left because the hospital denied or unreasonably delayed the exam
- If MSE reveals an emergency medical condition, individual cannot be discharged or transferred until stabilized.
