offering an approach designed to increase patient control over decisions directly affecting their well being and more

Social Work Case Management Michael J. Holosko, SAGE Publications, Inc., 2017-01-30 Written by a social worker for social workers This innovative book equips readers with the knowledge and skills they need to be effective case management practitioners in a variety of health and human service organizations A must read for students and professionals in social work this important work introduces a unique Task Centered Case Management Model built around the unifying principles of the profession person in environment strengths based work and ecological perspective Over twenty case studies by case managers and professionals offer innovative practice insights illustrating the practice roles and responsibilities of today s case managers and the realities of conducting case management in today s growing exciting and challenging field *Social Work At The Millennium* Robert Morris, 2007-09-12 For the last century social workers have attended to those in need and sought to improve the social and economic conditions of the disadvantaged At the dawn of a new century the country s leading social work practitioners and educators have come together in one stellar volume to assess the successes and failures of the field in its first hundred years They lay out the road social work must take to face the challenges ahead Along with two chapters by the editors June Gary Hopps and Robert Morris *Social Work at the Millennium* includes ten chapters from an exceptionally strong group of contributors offering a range of interpretations of the future of social work By looking with a critical eye at the past century and at the present day the authors come to varying conclusions that will stir debate within the field for years to come But all agree that social workers need a place at the policy drafting tables as well as in the human services triage rooms and that much work needs to be done to ensure that this happens *Social Work at the Millennium* presents the top voices of the social work field as they begin to craft the future of the profession and issues a challenge to social workers students scholars and policy makers to continue the discussion to shape a better future for the profession and the people it serves *Introduction to Social Work* Lisa E. Cox, Carolyn J. Tice, Dennis D. Long, 2021-09-03 The award winning *Introduction to Social Work An Advocacy Based Profession* takes students on an exploration of what social work is what it was historically and how to be an effective advocate as a social worker moving forward Built on a unique advocacy practice and policy model comprised of four components economic and social justice a supportive environment human needs and rights and political access the book provides a crucial lens for viewing today s social issues Best selling authors Lisa E Cox Carolyn J Tice and Dennis D Long emphasize advocacy throughout all sectors of social work with a focus on environmental international and military social work The Third Edition closely aligns with the latest Educational Policy and Accreditation Standards EPAS from the Council on Social Work Education CSWE references the 2018 Code of Ethics from the National Association of Social Workers NASW and includes profound discussions of societal impacts on areas of public health policy juvenile justice race inequality social movements and self care This title is accompanied by a complete teaching and learning package **Evaluation in Social Work** Yvonne A. Unrau, Peter A. Gabor, Richard M. Grinnell, 2007 This book

was written for you a graduate social work student as an introduction to program evaluation We selected and arranged its contents so it can be used in a beginning one semester social work program evaluation course a social work administrative course or a program planning course It is designed to prepare you to Participate in evaluative activities within your social service organization Become a beginning critical producer of the professional evaluative literature Become a beginning consumer of the professional evaluative literature Master more advanced evaluation courses and texts

Human Behavior for Social Work Practice, Second Edition Wendy L. Haight, Edward H. Taylor, 2013-07-01 Contemporary social workers continue to face growing challenges of complex and diverse issues such as child maltreatment poverty unemployment oppression violence mental illness and end of life care across varied contexts Wendy L Haight and Edward H Taylor present their book Human Behavior for Social Work Practice Second Edition as a core text that will help students implement a consistent framework through which to approach multifaceted social issues in any environment whether it be in inner city schools or rural nursing homes with individuals of different ages ethnicities and socioeconomic status Human Behavior for Social Work Practice Second Edition uses the developmental ecological systems perspective as an analytic tool to show students how social scientific evidence helps us understand human development and enhances social work practice Students will learn that by effectively connecting theory to practice they can develop successful strategies to use as they encounter complex issues currently facing social workers The authors have reorganized and expanded this new edition to better illustrate developmental thinking in social work practice throughout the lifespan This book also now includes special topic chapters on human brain development and the increasing relevance of neuroscience to social work practice as well as important social justice issues specific to race and gender that occur throughout the lifespan Also new to this edition Haight and Taylor have developed instructor s materials that can be tailored to include the social work experience of the instructor It is comprehensive so that no additional resources are needed and it is dynamically structured so information can be added where relevant to the course material

Working in Social Work Jessica Rosenberg, 2009-09-25 After graduating students in social work are faced with the daunting and stressful decision of choosing their specialty from the many that are available to them Jessica Rosenberg has designed this guidebook to make this process easier providing students with real world and practical information about what it is really like to work as a social worker Each chapter covers a different practice setting such as child welfare gerontology and addictions and follows the same format The Field Overview and Forecast describes the social worker s role scope of services and emerging issues and employment trends The Critical Issues section consists of an interview with an established professional in his or her chosen field offering a look into their personal journeys as they progressed through their careers A vignette written by a practitioner in their area of specialty makes up the First Person Narrative providing the reader with a look at the joys and challenges of working in that particular field Each chapter then concludes with helpful resources to learn more such as books and websites as well as information about specialty credentials

and educational programs and centres Those entering the social work field will find this an indispensable guide as they select their specialty and begin their career **Introduction to Social Work, Fourth Edition** Ira Colby, Sophia F.

Dziegielewska, 2015-06 There are certain questions that all students considering social work ask Who are social workers What is it that social workers do How is the social work profession changing What does it take to become a social worker Ira Colby and Sophia Dziegielewska bring their decades of experience in social work practice and education to answer these questions This engaging text gives readers a practical guide to the many ways in which social workers effect change in their communities and the world The authors offer an overview and history of the profession introduce readers to the practice of social work at the micro mezzo and macro level and finally look closely at the many settings and populations that social workers work with While realistically portraying the pressures and obstacles that social workers face Colby and Dziegielewska communicate their own passion for social work **The Changing Face of Health Care Social Work** Sophia F. Dziegielewska, 2003-11-12 Full of practice oriented tips questions for further study select online resources and professional profiles in such diverse arenas as the emergency room home care case management and hospice **Caring for the Vulnerable: Perspectives in Nursing Theory, Practice, and Research** Mary de Chesnay, Barbara Anderson, 2019-02-04

Caring for the Vulnerable Perspectives in Nursing Theory Practice and Research focuses on vulnerable populations and how nurses can care for them develop programs for them conduct research and influence health policy Units I and II focus on concepts and theories Unit III on research Units IV V and VI on practice oriented measures including teaching nursing students to work with vulnerable patients and clients and Unit VII on policy The text provides a broad overview of material critical to working with these populations comprehensive treatment of issues related to vulnerable populations outstanding contributors who are experts in what they write and a global focus The Fifth Edition will be a major overhaul as each new edition of this text has been There will be a total of 31 new chapters focusing on new and emerging research on vulnerable populations This text is generally used as a supplement in a wide variety of courses from health promotion to population health to global health New to the Fifth Edition Thirty one new chapters focusing on new and emerging research on vulnerable populations exploring topics such as Intersection of Racial Disparities and Privilege in Women's Health HIV Prevention Education Caring for the Transgender Community Caring for Vulnerable Populations Outcomes with the DNP Prepared Nurse With some chapters delving into key clinical topics in identified regions such as Opioid Abuse and Diversion Prevention in Rural Eastern Kentucky The Effects of Gun Trauma on Rural Montana Healthcare Providers Health Care in Mexico Fifth edition will continue to focus more on DNP authors and assess each chapter for relevance to DNP prepared nurses Features an included test bank practice activities PPTs IM and a sample syllabus **Social Work Values and Ethics** Frederic G. Reamer, 2006-03-21 This is the leading introduction to professional values and ethics in social work Frederic G Reamer provides social workers with a succinct and comprehensive overview of the most critical issues relating to

professional values and ethics including the nature of social work values ethical dilemmas and professional misconduct Conceptually rich and attuned to the complexities of ethical decision making Social Work Values and Ethics is unique in striking the right balance between history theory and practical application For the third edition Reamer has updated the content and strengthened the relevance of the case material Also new to the third edition o Discussion of the moral dialogue between practitioner and cliento Coverage of virtue ethicso Practical discussion of concepts underlying social work ethicso Expanded application of the National Association of Social Workers Code of Ethics to ethical dilemmas in the professiono A look at the historical evolution of ethical standards in social worko New vignettes illustrating difficult ethical decisionso More guidance on informed consent and termination of serviceso Discussion questions at the end of each chaptero A section on how to conduct a social work ethics audit *Handbook of Social Work with Groups, Second Edition* Charles D.

Garvin,Lorraine M. Gutiérrez, Maeda J. Galinsky, 2017-06-26 Revised edition of Handbook of social work with groups 2006

Social Work Practice Research for the Twenty-First Century Anne E. Fortune, Philip McCallion, Katharine Briar-Lawson, 2010-09-21 Social work professionals must demonstrate their effectiveness to legislators and governments not to mention clients and incoming practitioners A thorough evaluation of the activities ethics and outcomes of social work practice is critical to maintaining investment and interest in the profession and improving the lives of underserved populations Incorporating the concerns of a new century into a consideration of models for practice research this volume builds on the visionary work of William J Reid 1928 2003 who transformed social work research through empirically based and task centered approaches and more recently synthesized intervention knowledge for framing future study This collection reviews the task centered model and other contemporary Evidence Based Practice models for working with individuals families groups communities and organizations Essays demonstrate the value of these pragmatic approaches in the United States and international settings Contributors summarize state of the art methods in several key fields of service including children and families aging substance abuse and mental health They also evaluate the research movement itself outlining an agenda for today s sociopolitical landscape and the profession This volume inspires practice research to prioritize evidence as a base for the profession Applied Ethics in Mental Health Care Dominic A. Sisti, Arthur L. Caplan, Hila Rimón-Greenspan, 2013-09-20 Discussions of key ethical dilemmas in mental health care including consent trauma and violence addiction confidentiality and therapeutic boundaries This book discusses some of the most critical ethical issues in mental health care today including the moral dimensions of addiction patient autonomy and compulsory treatment privacy and confidentiality and the definition of mental illness itself Although debates over these issues are ongoing there are few comprehensive resources for addressing such dilemmas in the practice of psychology psychiatry social work and other behavioral and mental health care professions This book meets that need providing foundational background for undergraduate graduate and professional courses Topics include central questions such as evolving views of the morality and

pathology of deviant behavior patient competence and the decision to refuse treatment recognizing and treating people who have suffered trauma addiction as illness the therapist's responsibility to report dangerousness despite patient confidentiality and boundaries for the therapist's interaction with patients outside of therapy whether in the form of tennis games gift giving or social media contact For the most part the selections address contemporary issues in contemporary terms but the book also offers a few historic or classic essays including Thomas S Szasz's controversial 1971 article The Ethics of Addiction Contributors Laura Weiss Roberts Frederic G Reamer Charles P O'Brien and Thomas McLellan

The Encyclopedia of Social Work Terry Mizrahi, Larry Davis, 2008-04-24 This 20e contains 400 articles which represent a thoroughly updated and expanded look at the entire field of social work The 4 volumes cover all aspects of social work from practice interventions social environments social conditions and challenges to social policy and history Co published by OUP and the National Assoc of Social Workers USA
