**Unholy Messenger** Stephen Singular,2006-05-15 To all appearances Dennis Rader was a model citizen in the small town of Park City Kansas where he had lived with his family almost his entire life He was a town compliance officer a former Boy Scout leader the president of his church congregation and a seemingly ordinary father and husband But Rader s average life belied the existence of his dark sadistic other self he was the BTK serial killer The self named BTK for Bind Torture Kill had terrorized Wichita for thirty one years not only with his brutal sexually motivated crimes but also through his taunting elusive communications with the media and law enforcement In 1974 BTK committed his first murders torturing and strangling four members of the Otero family and wrote the police an audacious letter declaring his responsibility for the Oteros deaths and labeling himself for the first time BTK Thus he established a pattern stalking and killing a series of ten

victims then bragging and claiming ownership of his crimes that ended in 1991 but left law enforcement confounded and the public with deeply troubling memories Until that is he resurfaced in 2004 with another string of letters that would finally lead to his arrest Drawing from extensive interviews with Rader s pastor congregation detectives and psychologists who worked the case and from his unnervingly de tailed thirty two hour confession bestselling author Stephen Singular delves into the disturbing life and crimes of BTK to explore fully for the first time the most dangerous and complex serial killer of our generation and the man who embodied at once astonishing extremes of normality and abnormality In *Unholy Messenger* Singular recounts the year prior to Rader s arrest in which the BTK killer reemerged and the aftermath Woven throughout are the details of his crimes elaborate schemes and bids for public attention and the wrenching impact his deception had on his family church and heartland community The result is a chilling story of a man considered a spiritual leader by his pastor and congregation who turned out to be the devil next door More than just true crime *Unholy Messenger* is a powerful thoroughly engrossing examination of the intersection between good and evil and of the psychology and spirituality of a killer in whom faith and bloodshed converged
