

Chapter 01

The Equity Method of Accounting for Investments

Multiple Choice Questions

1. Gaw Company owns 15% of the common stock of Trace Corporation and used the fair-value method to account for this investment. Trace reported net income of \$110,000 for 2011 and paid dividends of \$60,000 on October 1, 2011. How much income should Gaw recognize on this investment in 2011?

- A. \$16,500.
- B. \$9,000.
- C. \$25,500.
- D. \$7,500.
- E. \$50,000.

2. Yaro Company owns 30% of the common stock of Dew Co. and uses the equity method to account for the investment. During 2011, Dew reported income of \$250,000 and paid dividends of \$80,000. There is no amortization associated with the investment. During 2011, how much income should Yaro recognize related to this investment?

- A. \$24,000.
- B. \$75,000.
- C. \$99,000.
- D. \$51,000.
- E. \$80,000.

3. On January 1, 2011, Pacer Company paid \$1,920,000 for 60,000 shares of Lennon Co.'s voting common stock which represents a 45% investment. No allocation to goodwill or other specific account was made. Significant influence over Lennon was achieved by this acquisition. Lennon distributed a dividend of \$2.50 per share during 2011 and reported net income of \$670,000. What was the balance in the *Investment in Lennon Co.* account found in the financial records of Pacer as of December 31, 2011?

- A. \$2,040,500.
- B. \$2,212,500.
- C. \$2,260,500.
- D. \$2,171,500.
- E. \$2,071,500.

How to write a Coursework? , Advanced Biology Frank Merrill Wheat,Elizabeth T. Fitzpatrick,1929 This comprehensive textbook covers a wide range of topics in advanced biology including genetics biochemistry and molecular biology Written by two leading experts in the field the book is an indispensable resource for students studying biology at the undergraduate and graduate levels This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Resources in Education ,1997 CompTIA IT Fundamentals (ITF+) Study Guide Quentin Docter,2018-08-17 NOTE The name of the exam has changed from IT Fundamentals to IT Fundamentals ITF However the FC0 U61 exam objectives are exactly the same After the book was printed with IT Fundamentals in the title CompTIA changed the name to IT Fundamentals ITF We have corrected the title to IT Fundamentals ITF in subsequent book printings but earlier printings that were sold may still show IT Fundamentals in the title Please rest assured that the book content is 100% the same The ultimate study guide for the essential entry level IT cert The CompTIA IT Fundamentals Study Guide Exam FC0 U61 Second Edition is your ideal companion for comprehensive exam preparation Covering 100 percent of the latest exam objectives this book contains everything you need to know to pass with flying colors the first time Clear concise language breaks down fundamental IT concepts to help you truly grasp important concepts and practical examples illustrate how each new skill is applied in real world situations You ll learn your way around hardware and software conduct installations and connect to networks to get a workstation up and running smoothly you ll also develop the knowledge base needed to identify compatibility and security issues mitigate risks and conduct all important preventative maintenance that keeps the end user problem free The CompTIA IT Fundamentals certification validates your skills as a systems support specialist and gets your foot in the door to a successful IT career This book is your ultimate preparation resource with expert guidance backed by online tools to take your preparation to the next level Master 100 percent of Exam FC0 U61 objectives Learn real world applications and practical on the job skills Know what to expect with exam highlights and review questions Includes 1 year free access to Sybex s online study tools including flashcards chapter tests and a practice exam all supported by Wiley s support agents who are available 24x7 via email or live chat to assist with access and login questions The IT department is instrumental in keeping any organization on its feet As support staff you will be called upon to assess and repair common problems set up and configure workstations address individual issues and much

more If you decide to continue on to more advanced IT positions the CompTIA IT Fundamentals certification is a great springboard if you re ready to launch your career the CompTIA IT Fundamentals Study Guide offers complete practical prep to help you face the exam with confidence *Handbook of Interview Research* Jaber F. Gubrium,James A. Holstein,2002 The Handbook of Interview Research is the most ambitious attempt yet at examining the place of the interview in contemporary society Interviewing is the predominant mode of research in the social sciences It s also the stock in trade of information seekers in organizations and institutions of all kinds as well as in the mass media Across the board interviews provide today s leading window on the world of experience The Handbook offers a comprehensive examination of the interview at the cutting edge of information technology Drawing upon leading experts from a wide range of professional disciplines this book addresses conceptual and technical challenges that confront both academic researchers and interviewers with more applied goals From interview theory to the nuts and bolts of the interview process the coverage is impressively broad and authoritative The Handbook of Interview Research is both encyclopedic and thematic As an encyclopedia it provides extensive discussions of the methodological issues now surrounding interview practice offering a multi faceted assessment of what has become the method of choice for obtaining personal information in today s society But the Handbook also is a story which spins a particular tale of interviewing one that moves from the commonly recognized individual interview to what is called the interview society The gist of the presentation is that we can no longer regard the interview as simply an instrument for gathering data but must now also view it an integral part of society Suggestions for Effective Study in Secondary Schools Frank C. Touton,1926 **Pivotal Politics** Keith Krehbiel,2010-05-27 Politicians and pundits alike have complained that the divided governments of the last decades have led to legislative gridlock Not so argues Keith Krehbiel who advances the provocative theory that divided government actually has little effect on legislative productivity Gridlock is in fact the order of the day occurring even when the same party controls the legislative and executive branches Meticulously researched and anchored to real politics Krehbiel argues that the pivotal vote on a piece of legislation is not the one that gives a bill a simple majority but the vote that allows its supporters to override a possible presidential veto or to put a halt to a filibuster This theory of pivots also explains why when bills are passed winning coalitions usually are bipartisan and supermajority sized Offering an incisive account of when gridlock is overcome and showing that political parties are less important in legislative executive politics than previously thought Pivotal Politics remakes our understanding of American lawmaking **Monthly Catalogue, United States Public Documents** ,1993-03 Monthly Catalog of United States Government Publications United States. Superintendent of Documents,1993 February issue includes Appendix entitled Directory of United States Government periodicals and subscription publications September issue includes List of depository libraries June and December issues include semiannual index **Simon Peter Leader Guide** Adam Hamilton,2018-12-18 Simon Peter an ordinary fisherman who heard an extraordinary call The Leader Guide contains everything needed to guide a

group through the six week study including session plans activities and discussion questions as well as multiple format options He left everything to follow his teacher and possessed a passion that would change the world That s one way to describe Peter Here s another poor uneducated quick tempered and full of doubts and fears Doesn t even sound like the same man And that s the point of Simon Peter a new book and six week adult Bible study by Adam Hamilton Peter was just an ordinary guy who heard and followed God s extraordinary call Discover how you too have special gifts talents and abilities that God can use to make a difference today In addition to the Leader Guide and DVD components for adult studies corresponding youth and children s resources sold separately can be used to create a churchwide study Chapters Include The Call of the Fisherman Walking with Jesus in the Storm Bedrock or Stumbling Block I Will Not Deny You From Cowardice to Courage The Rest of the Story

Handbook of Research on Implementing Inclusive Educational Models and Technologies for Equity and Diversity Escudeiro, Paula, Escudeiro, Nuno, Bernardes, Oscar, 2023-06-29 Despite the increased adoption of digital education materials during the pandemic there is a persistent issue of educational inequity and exclusion especially for students in rural areas and those with diverse disabilities Digital technologies have the potential to expand and liberate education but their inconsistent history raises questions about their effectiveness in addressing these challenges Implementing Inclusive Educational Models and Technologies for Equity and Diversity offers a comprehensive and timely reference source that aims to provide an opportunity for reflection on the crucial issue of inclusion and equity in the context of educational improvements This research book provides relevant academic work empirical research findings and an overview of this relevant field of study It also covers recommended topics such as mobile and blended learning teaching and learning strategies technological concerns and ethical and sociological concerns such as accessibility for users with diverse disabilities and addressing individual differences By providing a platform for research opportunities and increasing understanding of inclusion and equity in education the book can contribute to the development of effective strategies and tactics to create inclusive educational environments that leverage digital technologies
