Devil Emperor's Beloved Consort Tong Tong,2020-01-09 The cherry blossoms blew in the wind bringing up a thousand layers of snow Inside the red tent two stacked figures could be seen in the pair of eyes that were as cold as the night sky and as cold as Ruo Bing s snow The killing intent on the cold looking man dissipated bit by bit like an invisible net enveloping the Phoenix Confinement Arena The sound of clothes ripping could be heard from within the tent mixed with the low moans that caused one s blood to boil If you have no fragrance the world has no fragrance The man s voice filled with a hint of lustful desire came from the curtain He heaved a low sigh Heh The woman s voice was sweet and gentle like a smile but also like a sigh It carried with it a sense of inborn nobility but it was also mixed with a strange feeling that caused one s heart to waver A few human figures soundlessly appeared blocking the pair of eyes that were embracing the night sky The man in the veil had once said that as long as you came to the palace he would take his most beloved woman in front of him On the Phoenix Prison platform the quilts were like flowers unfolding layer by layer as if they were spring water slowly pouring down from the steps and filling the whole area with cherry blossoms **100 Books You Must Read Before You Die [volume 1]**

The question of how to maintain the continuity of diplomacy while developing democracy without military intervention is an old and new issue. The challenge can be described as a dilemma between democracy and diplomatic coherence. This dilemma is not unique to the twenty-first century; it has been a constant challenge to the development of democracy. In non-Western countries, democratisation originated in the nineteenth century and has had many successes and failures. After the Russo-Japanese War, political parties began to take power in Japan. The best embodiment of diplomacy in Japan's emerging democracy, the development of parliamentary democracy and mass-based democracy is Shidehara Kijirō (1872-1951), who served as foreign minister from 1924 to 1927 and from 1929 to 1931 and was prime minister from 1945 to 1946. As a diplomat from the Ministry of Foreign Affairs, Shidehara had long grappled with the issue of how to ensure diplomatic coherence in modern Japan, which was becoming increasingly democratic. Although Shidehara succeeded to some

extent in promoting diplomacy in cooperation with the US and the UK under party politics the rise of the military after the Manchurian Incident forced him to retire for a period However after the Pacific War Shidehara became prime minister of the US occupied Japan and attempted to restore cooperative diplomacy under party politics Shidehara came to the conclusion that the way to achieve both democracy and diplomatic coherence was through nonpartisan diplomacy towards peace This book examines the tension between diplomacy and democracy focusing on Shidehara s life and exploring modern Japan s footsteps Shidehara was undoubtedly one of Japan s most important diplomatic figures *Oz, the Complete Collection* L.
