Frank,1999-08-30 Much literature for children appears in the form of series in which familiar characters appear in book after
book In the late nineteenth and early twentieth century authors began to write science fiction series for children These early
series generally had plots that revolved around inventions developed by the protagonist But it was the development and use
of rocket and atomic science during World War II that paved the way for interesting and exciting new themes conflicts and
plots While much has been written about the early juvenile science fiction series particularly the Tom Swift books
comparatively little has been written about children s science fiction series published since 1945 This book provides a broad
overview of this previously neglected topic The volume offers a critical look at the history themes characters settings and
construction of post 1945 juvenile science fiction series including the A I Gang the Animorphs Commander Toad Danny Dunn
Dragonfall Five the Magic School Bus and Space Cat The book begins with an introductory history of juvenile science fiction
since 1945 with chapters then devoted to particular topics Some of these topics include the role of aliens and animals
attitudes toward humor the absence and presence of science and the characterization of women A special feature is an
appendix listing the various series In addition the volume provides extensive bibliographical information *The Western*
