Underground Railroad Ann Heinrichs, 2001 Learn about the history and bravery of the Underground Railroad. **The Adventures of Mz. Grundy Z. Leatherberry** Nancy Winniford, 2023-12-06 Have you ever wondered what life was like for young women a century and a half ago? Or wished your life had more adventure? Or at least some adventure? Have you ever wished you could travel far away and try new lifestyles? Do you enjoy stories about real life struggles with a twist of humor? If you can say yes to any of the above questions, this book is for you. Join Mz Grundy on her journey to experience all the adventure she can find as she strikes out on her own and travels alone across the United States in 1875 on her way to her first job as a prairie schoolteacher. In this first book of her series, Mz Grundy reaches Chicago, Illinois, in her pursuit of excitement. On the way, she tries new exploits such as riding on the back of a camel. Her mettle is tested when she careens down train tracks ten feet above street level. When Mz Grundy finds herself in the gigantic metropolitan city of New York, surrounded by pressing crowds of people and pigs in the streets, she perseveres in her dream despite the discomfort of feeling as though she is a polar bear in a desert. In her quest for new experiences, this naive young woman faces some terrific obstacles, but she learns and grows as she bravely overcomes her fears and forges ahead. Her story is told with mirth and warmth, making her a young heroine with whom we can all relate. Come along and join her as she conquers her fears and advances into new territory. **A Brief History of Northern Kentucky** Robert D. Webster, 2019-09-03

Thousands of years ago, the land that would become Northern Kentucky emerged above sea level when a large portion of the continental plate bulged upward. Today, the region rests on the crest of that uplift known as the Cincinnati Arch. And just like the fascinating geology of this region, Northern Kentucky continues to grow and develop. From the arrival of the Native Americans to the first European settlers in the late 1700s to the building of Ark Encounter at Williamstown in 2016, Northern Kentucky's landscape and population have changed dramatically. This encompassing study delves into the region's unique past and considers its ever

evolving future Provided is a wide ranging overview of Northern Kentucky s rich history including details about its early pioneers such as James Taylor Jr Simon Kenton and Daniel Boone who knew the potential of the incredibly beautiful territory they had discovered at the mouth of the Licking River The collection also chronicles significant historic moments like the Battle of Blue Licks the building of the Roebling Bridge and tragedies such as the Ohio River Flood of 1937 and the Beverly Hills Supper Club fire of 1977 Famous Northern Kentuckians such as singer and actress Rosemary Clooney artist Frank Duveneck and performer Kenny Price are also featured This well rounded study also addresses the revitalization of the region including the recent multi billion dollar riverside developments in Covington Newport and Bellevue and how Northern Kentucky has evolved into one of the most desirable places in the country
