Whispers of Love Smithson Buchi Ahiabuike, 2014-07-09 This anthology of true love poems reads like an epic The writer's true life experience comes alive One can almost visualize angels dancing on trees atop the panoramic green Kubwa Hills The concept of true love can be felt like an excited human heart Trials of Princess Diana The Beauty Queen at School But then She left Him Ode to Naomi Campbell and many others are poems that will leave a mist of tears in your eyes These love poems will catapult anyone to a land of love and endless dreams of enchantment and possibilities Hope is endlessly evoked as the protagonist struggles believing that the enigmatic legendary virgin princess of Eluama will come back to him He struggles with the thought that one day she will drop down from the clouds and into his arms He writes her a poem almost every other day as a consolation for his endless isolation

Our Hidden Settlement Mona Ballge Miron, 2023-08-07 My journey goes back in time to Burton Michigan's history when it was still the Atherton Settlement 1835 1855 Genesee County was formed in 1836 Michigan wasn't even a state until 1837 This was an exciting time for new families to settle here finding land of their own for the first time freedom of religion and new adventures I'll be going through the yearly traditions behind the holidays and inventions along the way I hope you enjoy my historical journey Learning about the settlers on Thread River was a lot of fun how they made the Atherton Trail the four Atherton families working together to survive the cold winters They built strong shelters saved food and wood for the winter with the help of the natives In 1835 the Atherton Settlement was established the Atherton families built a strong community over the next twelve months with thirty families They built their homes barns wagons three churches a mill and a trading post The first school in the settlement was founded in 1836 the Atherton School was a one room schoolhouse built on the corner of Atherton Trail and Center Road where the Burton Memorial Library sits now Betsey Atherton was the first teacher Throughout my research we have a lot to be thankful for especially the four Atherton men that were brave enough to stay and never give up on the settlement As more people joined the settlement for the next 20 years some had military backgrounds and mostly coming from New York With all manner of trades to prosper as the community when more schools were needed the farmers would build one in each area for the children 1855 Atherton Settlement combined with other farms to become Burton Township the second largest township but without a post office so HIDDEN

Return to You-"Getting the Strength You Need - Now" Delecia A. Holt,2000-06-27 Everything that we see hear smell touch taste say or do not say has consequences Four years of research a lifetime of personal and collective experiences and there is still more to do I have observed one very important fact That we humans tend to seek out others with similar beliefs a similar base With them we find a comfort zone We tend to strive for that level point that provides us comfort Because at that level we have no one to impress They are on the same plane we are for the moment That is until a life experience occurs and one or both of us changes due to our belief systems formed within our base Our bases influence every aspect of our lives and the lives of those we interact with We will explore this concept further in the book For now think of our base as the center of our physical and intellectual being That place within the core of our spirits Which provides us with the strength needed to survive all life s trials **Poems From An Old Romantic** Stanley H. Ward,2012-01-30 A book etched in nostalgia with poems that go back to 1964 when the decision was made to begin saving the poems in a 7 x 9 notebook instead of placing them in a fi le which at length became diffi cult to fi nd essentially lost Time brought forth three such notebooks two fi lled the third well over half used A book attuned in good part to family history the growth and flowering of two generations a continuing story that surpasses the bounds of poetic surveillance **Shattered Vows** A.B. Holton,2024-11-15 A TALE OF LOVE LIES AND BETRAYAL SOMETIMES THE HARDEST CHOICES LEAD TO THE GREATEST REVELATIONS Harper

Thomas is the epitome of the perfect wife smart loyal and devoted to her husband family and friends Happily married to her college sweetheart Ethan for almost five years Charming and charismatic Ethan seems to be the ideal partner and together they have created a picture perfect world That is until one fateful night when a single text message threatens to unravel the life they have built together In this heart wrenching and thrilling romance Harper must navigate a web of deceit and betrayal Can love survive when trust is broken Or are some wounds too deep to heal Shattered Vows is a thrilling romance with twists deception and heartbreak Can Harper find the strength to rebuild or is her marriage destined to remain broken beyond repair I Love You and There Is Nothing You Can Do About It Gerard Houarner,2016-01-23 Twelve tales of the human

condition as seen from the dark side through the lens of myth nightmare romance the weird and the surreal The collection s title story sets the table turning over love s joy to explore where such an emotion might come from and what it might cost Other stories include The Question Man in which Derek is compelled to find the answers to the questions of a mysterious caller Spider Goes to Market finds the trickster god Spider caught in the horrors of the African slave trade The Dead Mothers Club seeks to answer the question of what happens to the children who cannot recover from the loss of their mothers Twelve Nights is the length of time it takes for a man to transform into something else once the reality of what he knew to be his life

is broken Other stories included in this collection are The Oddist The Lighted Window The Good Dead Five Pregnant Vampires The Abandoned Mother Our Lady of the Jars and Not an Exit From the first print edition of this collection John Pelan writes in his introduction Gerard Houarner is an artist one that s not afraid to venture into new territories and try different hues and shades in his prose painting The artist has hung an entirely new show in his gallery and it s well worth coming in to view the admission fee is inexpensive and the memories will linger a lifetime And from Asimov s SF Magazine Paul Di Filippo writes in his On Books Review the stories that flesh out this book flesh bruised and broken are hardly romantic trifles cynical or otherwise They are instead Grand Guignolish shockers reminiscent of John Shirley s work Houarner s introductions show a concerned and ethical individual at work and his sharp literary skills insure that he always adheres closely to his personal moral compass without sacrificing horrific impact Out Lady of the Jars is my favorite here straying as it does into the Borgesian territory of imaginary beings
