## **Endtimes Are We In The Endtimes:**

**Are We There Yet? A Common Sense Guide To End Times Scriptures** Michael Reed, 2017-08-25 The subject of the return of Jesus has fueled speculation ever since He left. When is He coming? Will we know when He is about to return? Are the things happening in our world today signs of the times? What does the book of Revelation say about the return of Jesus? And what about the nation of Israel? What role do they play in end times scenarios? Mike Reed attempts to address these and other questions about Christ's return in this book. For the average person and even for those who have studied the topic for awhile, the subject of Christ's return can be overwhelming. In this book, the author will attempt to guide the reader into an understanding of the return of Christ, first based upon what Jesus said about it and then looking at what the apostles and prophets have said. The basis for the confusion on the subject is because most authors have not followed that sequence. This is a book written for laymen. It attempts to utilize good scholarship, but it is written for the nonacademic follower of Jesus who wants to understand what our Lord said about this most important topic. The book is also written with the desire to be a good example of how to utilize sound and time-honored methods of interpretation which can be applied to any topic of scripture.

**Are We Living In The End Times** Don Nicely, 2024-02-09 Are we living in the end times that are described in the book of Revelation The end times truly started in the beginning of New Testament after Jesus revealed himself to the world But in these modern days of 2024 we re still in the end times Now I presume since you bought this book that you re wanting to know whether we are at the end of the end times and how close are we to the coming of the return of Jesus as it was set forth in the book of Revelation I actually have another book in this series that discusses when Jesus will actually come back Now throughout all of our Christian history believers have speculated that the prophesied End Times were just about to start Some audacious ones have even set specific dates and times for his return Several years ago for example a certain radio preacher had people talking about his declaration that the present world order would end in May of 2011 When that did not happen he revised his prediction forward a few months to October By the way he had earlier set 1994 as the year when End Times would arrive Award winning inspirational author Don Nicely through this book cleans up all the clutter that is out there about the end times and when the actual return of Jesus will be Yes there are specific signs that we can read that Jesus himself gave us to enlighten his people to his actual return and how it would actually take place People predicting End Times dates usually focus on things like wars increasing wickedness and natural disasters They talk about bad things like the increased fierceness of storms through what is now called climate change as well as the surge of killer viruses severe famines and droughts and escalating tensions between nations The problem is these things have all been around all through human history So what is the true signs of the End Times One of the big questions in understanding and interpreting the book of Revelation is tied to when it was written What should Christians be doing to get ready for the cataclysmic events preceding the end of the Age and the Second Coming of Christ Given the current state of affairs in the world Unfortunately some are selling their homes moving to remote desert or mountain locations stockpiling food buying weapons and ammunition the list goes on and on Is that the right thing to do Are we really supposed to run and hide as things get worse Or should we stay where we are and continue to minister to the people around us The Bible clearly instructs

us to be vigilant That means to stay awake But it also teaches that no one can say for certain that we are living in end of the end times Fortunately the apostle Peter gives us a straightforward answer to this question And this book will give you the answers that you are searching for Peter writing specifically with reference to the end of the age when he said the heavens will pass away with a great noise and the elements will melt with fervent heat both the earth and the works that are in it will be burned up Just what does that mean Author Don Nicely addresses this verse with a whole chapter to give you exactly what Peter meant Peter does not suggest that believers head for the hills and adopt a fortress mentality and start stockpiling food and weapons Instead he asks Since all these things will be dissolved what manner of persons ought you to be in holy conduct and godliness looking for and hastening the coming of the day of God because of which the heavens will be dissolved being on fire and the elements will melt with fervent heat II Peter 3 10 12 You really need to get a copy of Are We In The End Times Today The Church in End-Time Prophecy Curtis Schulze, 2021-04-12 Church in Prophecy Today the rapture of the church is one of the most disputed end time topics in all the scriptures No other end time doctrine has divided the church more than this subject of the rapture We have made this all about timing rather than his return Many are preoccupied with and distracted by their own particular prediction The purpose of this book is not to refute one position in favor of another but to come against the church's obsession and preoccupation with timing Our focus should be directed toward his return and not fixed on timing This is the testimony of the scriptures Whether he comes early or whether he tarries this does not matter to me What matters to me is the readiness of the church We need to be ready now and always if he comes early but if delayed we will need to be ready to go through the dark and difficult days ahead We need to prepare our hearts now for what is coming lest it catch us off guard We need to build our faith to stand under pressure and we need to build our trust and confidence in Him now to keep us while in tribulation We will need to settle the matter in our hearts concerning all those things coming on the earth to lay our lives down at all cost We will need to prepare our children and loved ones for the day ahead if the Lord tarry If the Lord did return today most would not be ready to evacuate If he were to delay his coming most are unprepared for the dark and difficult days ahead I am afraid for the church I am afraid many will fall away if the rapture does not occur as expected I am afraid many are taking this too lightly thinking they are guaranteed a seat on the rapture express but will be left behind because of complacency and indifference toward Christ and the gospel Either way you look at it the church is neither ready to leave nor ready to go through
