

Autobiography of Jesse Stay

BEGINNINGS

I was born on July 20, 1921 in our small brick farm house on the family's eighty acre farm, just west of the Denver Rio Grande and Western rail road tracks, on the Draper-Riverton cross road in Draper, Utah. I was the youngest of twelve children. Mother had four boys, seven girls and then me. I have always been grateful that she didn't stop at eleven.

When I was a year old I moved with my family to a big house on Seventh East in the town of Draper. My earliest memories are about our life in this home. We lived there until I was six years old. I remember herding our cow, "GB," on the side of the road while she grazed. I had a mean billy goat that I had to lead down the road to a patch of willows to graze and I had a horrible time trying to make the goat go where I wanted it to go. I was also given a black lamb to raise. I learned to love the lamb and it would follow-me everywhere. It broke my heart when we sold it to be butchered after it was grown. I got twenty dollars from the lamb, which my parents put in the bank for me. I bought my first suit with this money when I was fourteen years old.

I entered the first grade in the Draper elementary school but only attended this school for a few months before we moved to Salt Lake City to be near my father's work.

We moved to Salt Lake in the winter of 1927 and lived in a house my dad bought from his uncle Thomas Woodbury at 1858 South Fourth East. It was also a big brick house which we needed for our big family. Myla and I were enrolled in the Whittier grade school. Lois and Nina were in high school. Doris was going to the LDS Business College and Mary was in training as a nurse at the LDS Hospital. We lived in Salt Lake City for three years and during this time Carroll came home from his mission and Lorna's Husband, Henry Vandenberg was badly hurt in an automobile accident and they came to live with us with their two little children, Harry and Joyce. They lived with us for eighteen months. Henry was in bed and needed constant care. He had a broken back and was paralyzed from the waist down. He also had a broken arm, and crushed kidneys. Lorna took him back to Michigan to see his father and he died in Michigan.

For many years my father was the Salt Lake County horticulturist. It was his responsibility to control noxious weeds and to promote good agriculture in the county. One of the major activities of our summers was to help him prepare the Salt Lake County agricultural exhibit at the Utah State Fair.

Ivan and Hobert were working in Huntington Park, California and when Mary finished her nurse's training she and Lorna moved to California where they both went to work for the Mission Hospital in Huntington Park.,, Mary as a nurse and Lorna in the Laundry. They rented a house near the hospital and Lorna kept house for Ivan and

Reinventing Yourself, 20th Anniversary Edition Steve Chandler,2017-04-17 This completely revised and updated edition of *Reinventing Yourself*, the motivational classic by inspirational author Steve Chandler, features several new chapters including: What to Do about Your Money Fears, Your Career Played as a Game vs. Your Career as a Grind for Survival, How Much Ego Do You Need to Succeed, The Hidden Downside of Winning Friends and Influencing People, Do You Need a Life Coach or Should You Just Wing It, Does Success Make You Happy or Does Happiness Make You Successful, You'll learn numerous techniques for breaking down negative barriers and letting go of the pessimistic thoughts that prevent you from fulfilling or even allowing yourself to conceive of your goals and dreams. Chandler's new edition also tunes, polishes, and strengthens the many popular and inspiring chapters from previous editions of this book, making them even more useful and relevant in today's rapidly changing globalized world. The old psychological models that focused on past hurts and traumatic memories have given way to exciting new breakthroughs like Dr. Martin Seligman's work on post-traumatic strength and Dr. George Pransky's work on human beings' innate resilience and well-being. No more fixating on psychic wounds that occurred in childhood. Chandler's new revision looks at the work of both of those pioneers and makes optimism available to people who never believed they could reinvent their old ways of being.
