

SAMPLE OUTLINE FOR AN INFORMATIVE SPEECH

By Mike Busch

Introduction

Attention material	A Gallup Poll shows that 50% of the children under 10 listed an E.T. item as their 1 st , 2 nd or 3 rd choice most-wanted Christmas gift the year following the release of Steven Spielberg's best loved movie.
Motivation material	Many of you in this room stood in long lines to see this movie. Chances are if you saw "ET" you also saw that same year's biggest horror thriller, "Poltergeist." One man, who has been called a genius, a mad man, an artist and a freak, is responsible for these two films.
Thesis & Overview	This morning I want to take a look at the life of Steven Spielberg to determine how he combines the elements of fear and fantasy, using his own childhood fears and dreams, to bring an emotional magic to the silver screen.
(transition)	(Let's begin with his early life.)

Body

Thought Pattern: Topical	I. In order to understand the methods behind his madness it is important to examine Spielberg's early life to see what is later reflected in his films. A. Spielberg was not a model child. 1. He tormented his sisters. 2. At 12, with his first camera he filmed model train wrecks. (examples and details) B. In high school he was often lonely. 1. He took refuge in the theatre program. 2. He learned he wanted to make movies. (explanation) C. His 2 years at C.S.U. preceded his 1st jobs. 1. He got an interview with Sid Sheinberg of Universal TV. 2. At 20 he became the youngest director with a long-term contract. (narration) D. The rest is history. 1. "Jaws" - \$410 million 2. "Close Encounters" - \$250 million 3. "Raiders" - \$310 - million 4. "Poltergeist" - \$225 million 5. "ET" - \$390 million and counting (statistics)
-----------------------------	--

(internal summary)	(So you can see that Spielberg's childhood easily could have led to the super-director he has become today.)
--------------------	--
