

The background of the entire image is a traditional Persian miniature painting. It depicts a scene inside a palace or a fortified city. A man with a golden crown and a green robe is shown in a dynamic pose, holding a sword. He is looking towards a woman in a red robe who is seated or kneeling. The architecture is highly detailed with intricate patterns and colors. A blue domed structure is visible in the upper right. The overall style is characteristic of Persian art from the 15th or 16th century.
