Ellory the bestselling author of *A Quiet Belief in Angels* and *City of Lies* is back with a novel packed with mystery betrayal and shocking family history It's a bravura performance for readers of literary suspense from a writer whose prose often sings Booklist This compelling novel with its shock denouement is both beautifully written and skillfully crafted and confirms Ellory as one of crime fiction's new stars The Sunday Telegraph

The Living Words-Volume 1 Jeff Benner,2008 Reading a translation of any book is just not the same as reading it in its original language and is adequately stated in the phrase lost in the translation Whenever a text is translated from one language to another it loses some of its flavor and substance The problem is compounded by the fact that a language is tied to the culture that uses that language When the text is read by a culture different from the one it is written in it loses its cultural context A Biblical example of this can be found in the Hebrew word tsur which is translated as a rock He only is my rock and my salvation he is my defence I shall not be greatly moved Psalm 62 2 KJV What is a rock and how does it apply to God To us it may mean solid heavy or hard but the cultural meaning of the word tsur is a high place in the rocks where one runs to for refuge and defense a place of salvation The Living Words is an in depth study into the Ancient Hebrew vocabulary and culture of the Bible replacing the flavor and substance that has been removed from us
