Gillian Bridge, 2020-03-31 Cutting its way through the media frenzy **Sweet Distress** How our love affair with feelings has fuelled the current mental health crisis and what we can do about it puts emotional wellbeing and resilience centre stage Using an approach rooted in no nonsense logic author and psycholinguistic consultant Gillian Bridge delves into a range of problems which seem to be most frequently cited as sources of mental distress These include stress anxiety depression loneliness body image eating disorders social media substance abuse behavioural disorders academic pressures and bullying The author explores how these issues have led to seemingly insurmountable emotional problems and takes a few potshots at some of the things that have contributed to turning life events that may at other times or in other places have been little more than nuisances or inconveniences into sources of genuine psychic pain Packed with realistic and effective takeaway strategies for parents and educators **Sweet Distress** challenges under researched but over promoted ideology and shares evidence based help and advice for anyone wanting to improve the mental health of those they care about The book focuses on offering that help in a practical way so at the end of chapters 5 to 10 which deal with specific issues there are sections of particular value to parents would be parents teachers and those in the business of young people's mental health such as counsellors and therapists Likewise towards the end of the book Gillian has gathered together some selected material into a

call to action which will reiterate and reinforce some of the most practical and achievable lifestyle advice contained throughout *Suitable for parents educators counsellors and therapists* Gillian looks at how these issues have led to apparently insurmountable emotional problems and takes a few potshots at some of the things that have contributed to turning life events that may at other times or in other places perhaps more resilient ones have been little more than nuisances or inconveniences into sources of genuine psychic pain Packed with realistic and effective takeaway strategies for parents and educators *Sweet Distress* challenges under researched but over promoted ideology and provides real evidence based help and advice for anyone wanting to improve the mental health of those they care about *Suitable for parents educators counsellors and therapists* *They Came from the Drain* Robert Michael Wills, **Who's who Among North American Authors**, 1925 **Interim Goddess of Love** Mina V. Esguerra, 2012-04-21 Get the entire INTERIM GODDESS OF LOVE trilogy in one ebook College sophomore Hannah Maquiling doesn't know why everyone tells her their love problems She's never even had a boyfriend but that doesn't stop people from spilling their guts to her and asking for advice So maybe it shouldn't be a surprise when the cutest guy in school tells her that she's going to have to take on this responsibility but for all humanity The Goddess of Love has gone AWOL It's a problem because her job is to keep in check this world's obsession with love and lack of it The God of the Sun for now an impossibly handsome senior at an exclusive college just outside of Metro Manila thinks Hannah has what it takes to temporarily do the job INTERIM GODDESS OF LOVE While she's learning to do this goddess thing she practices on the love troubles of shy Kathy who's got a secret admirer on campus Hannah's mission should she choose to accept it is to make sure that he's not a creepy stalker and they find their happily ever after or at least something that'll last until next semester As if she could refuse The Sun God asked so nicely And he's so well hot QUEEN OF THE CLUELESS If you've been feeling neglected by the Goddess of Love lately don't worry Hannah Maquiling college sophomore is in training to take over The Original Goddess is missing but Hannah is Interim Goddess now and she should figure out how to solve humanity's love problems soon Quin God of the Sun is still her mentor still really hot but apparently isn't as honest about his other earthly relationships as she thought It's frustrating and enough to make her check out possibilities with Diego God of the Sea and Robbie Cute Human In the meantime she's decided to spend some of her precious training time helping to break up a relationship instead of putting one together Why Because the girl in question happens to be her best friend Sol whose boyfriend is stealing not just from her but from other people on campus Sol didn't exactly summon the Goddess but this is what power over Love is for right Surely it's not just about matchmaking but ending doomed relationships too Even when it's not what people want ICON OF THE INDECISIVE College student Hannah Maquiling also temporarily working as the Goddess of Love has had enough of everyone asking for her help when it comes to relationships It's her turn to find romance She deserves it after serving as matchmaker and confidant to everyone else in Ford River College for the past year She's had a crush on handsome senior and God of the Sun Quin forever but he's destined

to fall in love with an extraordinary mortal woman so she's figured her chances with him have pretty much dropped to zero. It's not like she doesn't have any options for a classic college romance though. There's Diego, God of the Sea, and Quinn's best friend/enemy. And regular guy Robbie is stepping up, making sure she knows how he feels about her. How hard can it be for a goddess to find someone to love and be loved in return? This ebook contains the complete INTERIM GODDESS OF LOVE trilogy.

Shadows on the Night Frank LoProto, 2007-08. On Long Island's northeastern shore lie two towns close in proximity but centuries apart in their perceptions of reality. When a young boy from Arlin Point is introduced into Lissa Loeb's East Hastings Primary School class, the gap between the towns suddenly narrows, and Lissa's life is forever changed. Drawn to mysterious Arlin Point by concerns for the boy's well-being, she encounters the town's strange populace and uncovers a shocking scheme that only she and her sole ally, a retired chief of police, are willing to confront. Soon Lissa comes face-to-face with the unbelievable truth: the dead don't die in Arlin Point, and events of the past will soon decide the future of East Hastings.

The Ones That Got Away Roxane R. Fritz, 2012-07-06. Investigative reporter Aurora Knight has an appointment at San Quentin prison to visit a death-row inmate, a former mob informant with only days to live. He is counting on her help to get to the truth of what he claims is his wrongful conviction for the murder of his wife and son. Before heading to the prison, Aurora has brunch with a high school friend she hasn't seen in decades, who questions Aurora if she regrets never getting married or having children. The question is asked: was there one true love that got away? On her way to the prison, Aurora's SUV is forced over the side of the Golden Gate Bridge and into the icy waters of the San Francisco Bay. As news of her death spreads across the country, her past loves reflect on their time with Aurora, and we come to know her through several important relationships from her first love to the man she was supposed to meet later that day.

American Illustrated Magazine, 1949. *A Place Called Home* Jo Goodman, 2025-06-24. Three Children, Two Hearts, One Promise. Changes Everything. It was a gesture of love that neither thought would become a reality. However, when the unthinkable happens, Mitch Baker and Thea Wyndham are called to fulfill their promise as godparents to their mutual friends' three young children in the wake of a tragic accident. Mere acquaintances, Mitch steps up ready to honor the promise, but Thea has vanished. When she finally returns, Thea offers no explanation, only a quiet refusal to share custody. Engaged to a man with no interest in raising another family, she insists she's not the right person to raise the children. Instead, she offers support without commitment, and Mitch is furious. Thea's silence is its own kind of heartbreak, but Mitch can't shake the feeling that she's hiding something deeper. As tensions rise, attraction stirs between them, making it impossible to keep things purely about the children or their responsibilities. They now face the hope that two broken hearts could create something for the children, or the threat that fear, secrets, and unspoken desires might tear them apart for good.
