The Reactionary Mind Corey Robin,2018 Late in life William F Buckley made a confession to Corey Robin Capitalism is boring said the founding father of the American right Devoting your life to it as conservatives do is horrifying if only because it s so repetitious It s like sex With this unlikely conversation began Robin s decade long foray into the conservative mind What is conservatism and what s truly at stake for its proponents If capitalism bores them what excites them In *The Reactionary Mind* Robin traces conservatism back to its roots in the reaction against the French Revolution He argues that the right was inspired and is still united by its hostility to emancipating the lower orders Some conservatives endorse the free market others oppose it Some criticize the state others

celebrate it Underlying these differences is the impulse to defend power and privilege against movements demanding freedom and equality while simultaneously making populist appeals to the masses Despite their opposition to these movements conservatives favor a dynamic conception of politics and society one that involves self transformation violence and war They are also highly adaptive to new challenges and circumstances This partiality to violence and capacity for reinvention have been critical to their success Written by a highly regarded keen observer of the contemporary political scene The Reactionary Mind ranges widely from Edmund Burke to Antonin Scalia and Donald Trump and from John C Calhoun to Ayn Rand It advances the notion that all right wing ideologies from the eighteenth century through today are improvisations on a theme the felt experience of having power seeing it threatened and trying to win it back When its first edition appeared in 2011 The Reactionary Mind set off a fierce debate It has since been acclaimed as the book that predicted Trump New Yorker and one of the more influential political works of the last decade Washington Monthly Now updated to include Trump s election and his first one hundred days in office The Reactionary Mind is more relevant than ever

Shooting the Breeze with Baby Boomer Stars! Torchy Smith,2018-10-02 Popular TV and film of the American 50 s and 60 s evolved over time but themes of family and fun never wavered Many Baby Boomers look back and miss those old days but surprising hilarious and even shocking stories hid in Dark Shadows despite so many Happy Days Now secrets are revealed as celebrities share their memories and mishaps Shooting the Breeze with Baby Boomer Stars is a collection of first person stories and histories shared with Baby Boomer radio host Torchy Smith Torchy s celebrity connection began before his own kids entered the entertainment business He always had an interest in seeking a way to combine his nostalgia obsession with communications which resulted in his own radio show where he interviewed actors from the past Read trade secrets never before revealed as stars chat about being on set for Animal House Star Trek Leave it to Beaver and more Go back in time with Baby Boomer icons as they relive behind the scenes snafus and fights all while honoring the glory days of television Where are they now and what are they doing You re about to find out Scalia's Court Antonin Scalia,2016-04-04 The passing of this brilliant jurist is a great loss but his writings with their plain language and constitutional moorings will guide generations to come Speaker of the House Paul Ryan The sudden passing of Justice Antonin Scalia shook America After almost thirty years on the Supreme Court Scalia had become as integral to the institution as the hallowed room in which he sat His wisecracking interruptions during oral arguments his unmatched legal wisdom his unwavering dedication to the Constitution and his blistering dissents defined his leadership role on the court and inspired new generations of policymakers and legal minds Now as Republicans and Democrats wage war over Scalia s lamentably empty Supreme Court seat Kevin Ring former counsel to the U S Senate s Constitution Subcommittee has taken a close look at the cases that best illustrate Scalia s character philosophy and legacy In Scalia s Court A Legacy of Landmark Opinions and Dissents Ring collects Scalia s most memorable opinions on free speech separation of powers race religious freedom the rights of the accused abortion and
