Economic Development 2018 Preparing for the Future of Work OECD,2018-09-18 This third edition of Job Creation and Local Economic Development examines the impact of technological progress on regional and local labour markets It sheds light on widening regional gaps on job creation workers education and skills as well as inclusion in local economies *Job Creation*

and Local Economic Development 2023 Bridging the Great Green Divide OECD,2023-03-14 The green transition is changing jobs skills and local economies It poses new challenges but also opportunities both of which will differ across places within countries This report Job Creation and Local Economic Development 2023 Bridging the Great Green Divide provides novel

evidence on those risks and opportunities across regions in 30 OECD countries *Economic Development Incentives, Reported Job Creation, and Local Employment* Paul Bryne,2018 State and local policymakers continue to utilize and place an important emphasis on economic development incentives as a means of attracting and retaining employers with tax

increment financing TIF being one of the more popular incentives Recently a number of states have increased reporting requirements for local economic development agencies in an attempt to ensure that targeted incentives are achieving their stated objectives However the economic validity of these reported jobs depends heavily on the extent to which the incentives

draw new economic activity into an area This paper examines the credibility of the number of jobs reported by local economic development agencies in Missouri as having been created or retained by TIF The paper examines the impact of these reported jobs on county employment as measured by the Bureau of Labor Statistics Results suggest the number of jobs

reportedly created by TIF districts do not significantly impact county employment *Job Creation and Local Economic Development 2016* OECD,2016-11-21 This second edition of Job Creation and Local Economic Development examines how national and local actors can better work together to support economic development and job creation at the local level
