Synopsis :

Les événements de Ouagadougou du 15 janvier dernier ont attiré l'attention du grand public sur l'islam au Burkina Faso. Ces attentats, qui s'ajoutent à celui du 20 novembre 2015 à l'hôtel Radisson Blu de Bamako au Mali et à ceux orchestrés par Boko Haram au Nigeria, au Tchad et au Cameroun, ont rappelé que la pratique de l'islam en Afrique de l'Ouest, souvent oubliée au profit de l'Afrique du Nord et du Moyen-Orient, est loin de n'être que rituelle et produit des imaginaires et des répertoires d'actions politiques.

Les intervenants chercheront à démontrer que l'islam dans cette sous-région n'est ni monolithique ni immuable et ne saurait être réduit aux seuls réseaux terroristes ; les musulmans en Afrique de l'Ouest étant caractérisés par une grande diversité de tendances, de stratégies et de sensibilités.

La Tragedie De L'islam Moderne

Didier Musso

La Tragedie De L'islam Moderne:

L'islam au secours de l'homme moderne Thomas Sibille, 2022 L'Occident a su faire sa révolution au moment opportun en d'exploitant sa maîtrise de la technique et du matériel et en réinventant en quelque sorte la façon de considérer le présent et le futur. Il a choisi pour se faire de se couper du divin en créant lui-même d'une certaine façon ses propres divinités. Si l'euphorie des débuts a semblé lui donner raison, les crises économiques et politiques de ces dernières décennies l'ont rappelé une réalité inaliénable que l'Orient lui a su maintenir en dépit de ses faiblesses. L'Orient n'a pas oublié son histoire ni son rayonnement passé sur le reste du monde. C'est sur ses terres et nulle part ailleurs que les grandes Traditions religieuses monothéistes ont vu naître leurs prophètes. Ces deux mondes qui s'observent comme des chiens de faience ont besoin que viennent leur secours une raison de s'écouter et de se faire mutuellement confiance pour construire un avenir serein et plein de sens. Qui mieux que l'islam peut remplir ce rôle de conciliateur qui mieux que l'islam peut rappeler tout un chacun ce que vivre signifie qui mieux que l'islam peut montrer la voie à l'homme moderne et lui tendre la main pour s'extirper de cet abîme dans lequel il est tombé en creusant de ses mains sa propre tombe de son vivant. Nous avons souhaité au travers de ce petit opuscule interroger l'histoire et comprendre comment nous avons pu en arriver à une telle situation. Nous avons surtout voulu montrer et démontrer qu'en dépit de tous les obstacles de cette vie l'islam pouvait venir au secours de l'homme moderne.

La tragédie de l'islam moderne Hamadi Redissi, 2011 La tragédie est grecque mais voici qu'elle rattrape l'islam moderne. La tragédie est celle-ci : l'islam a perdu son identité rigide et aucune autorité n'est en mesure de décider ce qui est le vrai islam. Entre tradition et modernité, il oscille, pratique le mélange et la cohabitation. La tradition multiple est devenue insaisissable et sur la modernité, protéiforme, il n'y a aucun consensus. En réalité, y regarder de plus près, on peut vérifier que le sacré islamique travaille toujours la volonté ou les prétentions de réformer et que les avancées vers la modernité démocratique dissimulent mal l'immobilisme et le conservatisme. Le statut des femmes a peu bougé, la charia, loi coranique, et le jihad, guerre sainte, restent omniprésents même s'ils sont moins visibles. La laïcité parfois revendiquée n'entre pas dans les exigences de la séparation moderne même si l'islam mou le plus répandu prétend le contraire. Plus que jamais, s'impose donc la vigilance critique, ne pas ignorer certes que la modernité est toujours inachevée mais avoir une conscience aiguë qu'en islam elle demeure un terrain toujours en friche qu'il faut encore et encore cultiver et retourner. Un livre percutant sur la crise de l'islam qui met en lumière quel point il est désorienté par la coexistence indiscernable de tradition et de modernité qui le ronge.

Plaidoyer pour un islam moderne Mohamed Talbi, 1998 Comment contester que l'islam est aujourd'hui l'ordre du jour. La présence musulmane en Occident structurelle est de plus en plus visible, les manifestations violentes de l'intégrisme musulman de l'Algérie, l'Afghanistan en passant par l'Iran et le Soudan, le regain d'intérêt pour les enseignements et les pratiques islamiques dans les R. Publiques majoritairement musulmanes de l'ex-Union soviétique, la dimension symbolique au conflit israélo-arabe où sont impliqués des populations palestiniennes majoritairement musulmanes sont autant de facteurs qui poussent de plus en plus en savoir

davantage Religion qui compte plus d'un milliard d'adeptes L'islam se situe un tournant en cette fin de siècle C'est ce qu'explique l'historien tunisien Mohamed Talbi dans ce vibrant plaidoyer pour un Islam moderne Revenant sur son propre parcours d'intellectuel musulman au carrefour de l'Occident et du monde de la Méditerranée il propose une analyse lucide et sans complaisance Oui il faut que l'islam accepte de se reformer en profondeur quant à la place de la Charia à l'interprétation du Coran le statut de la femme et le rapport au politique Oui il faut que s'établisse en vérité un vrai dialogue interreligieux entre les fils d'Abraham L'avenir et l'équilibre du monde en dépendent *L'Islam devant le monde moderne*, 1945 **Un islam pour notre temps** Abdennour Bidar, 2004 Le livre comporte trois grands chapitres qui développent successivement avec beaucoup d'exemples l'affrontement entre islam et monde moderne Une proposition pour restituer l'islam face à la modernité pour inviter les musulmans à voir un vnement positif et pour dire ce que l'islam peut apporter à la modernité

L'Islam et le réveil arabe Tariq Ramadan, 2011 Après des décennies d'apparente résignation des millions de femmes et d'hommes sont descendus dans les rues à l'appel de la jeunesse Le réveil arabe a brisé un verrou et ouvert le champ des possibles Même si de la Syrie aux monarchies les printemps tardent devenir révolutions Ces vnements taient ils inattendus De Tunis au Caire les mouvements de mobilisation non violente taient connus des États occidentaux voire encouragés Seront ils confisqués par ceux mêmes qui se sont si longtemps accommodés des dictatures Le monde arabe saura t il se réapproprier sa mémoire pour réinventer l'éducation populaire le droit des femmes la justice sociale la créativité artistique la maîtrise de l'économie la lutte contre la corruption et la démocratisation réelle Enfin cette émancipation peut elle être envisagée avec l'islam vu non pas comme un carcan mais comme une richesse éthique et culturelle Une chance historique s'offre aux sociétés majoritairement musulmanes de saisir leur destin pour conjuguer islam pluralisme et démocratie sans trahir leur identité À l'heure où s'estompe le clivage Occident Islam Tariq Ramadan recense les défis qui attendent les sociétés arabes mais aussi occidentales sauront elles se libérer des conceptions binaires que la nouvelle donne remet en cause **La raison politique en islam** Mohammed Abed Al-Jabri, 2007 Depuis l'émergence de l'islam politique dans les sociétés musulmanes des années 1980 médias et experts occidentaux ont multiplié discours et analyses sur les relations entre islam et politique sans viter trop souvent les pièges de l'essentialisme voire de la simple islamophobie Mais les nombreux penseurs du monde musulman qui ont abordé ces questions restent largement méconnus en particulier ceux qui s'expriment en arabe D'où l'intérêt majeur de cette traduction du troisième volume de l'ouvrage du philosophe marocain Mohammed Abed Al-Jabri Critique de la raison arabe cet ouvrage propose une analyse critique de l'intérieur du patrimoine politique islamique qui claire d'un jour nouveau les manifestations de l'islam politique moderne fondamentalisme extrémisme religieux etc Pour en comprendre les ressorts profonds Al-Jabri identifie les trois facteurs clés qui ont déterminé la nature de la raison politique en islam dans le monde arabe la tribu le butin et le dogme C'est au moyen de ces trois éléments qu'il analyse en appuyant sur de nombreux textes historiques les manifestations de cette raison idéologie fataliste des Omeyyades la mythologie de l'immortel le mouvement

clair l'idéologie sultanienne Al Jabri montre ainsi que l'islam est certes une religion et un mode de vie mais qu'il n'a jamais
statu sur le régime de l'Etat. Ce qui lui permet d'ouvrir les pistes d'un renouveau démocratique de la raison politique en islam
invitant les musulmans adopter la consultation en tant que principe directeur pour une organisation démocratique et
rationnelle de la société basée sur la libre pensée, le droit, la différence et la mise en œuvre de la raison critique.
