From undisputed masters to obscure one timers nearly 3 000 directors are cited here including at least 200 filmmakers not mentioned in similar books published in France. Each director's entry contains a brief biographical summary including dates and places of birth and death, information on the individual's education and professional training and other pertinent details such as real names when the filmmaker uses a pseudonym. The entries also provide complete filmographies including credits for feature films, shorts, documentaries and television work.
