International Sex Guide Egypt:

Sex and the Citadel Shereen El Feki, 2013-03-12 Kirkus Best Books of the Year 2013 If you really want to know a people start by looking inside their bedrooms As political change sweeps the streets and squares the parliaments and presidential palaces of the Arab world Shereen El Feki has been looking at an upheaval a little closer to home in the sexual lives of men and women in Egypt and across the region The result is an informative insightful and engaging account of a highly sensitive and still largely secret aspect of Arab society Sex is entwined in religion tradition politics economics and culture so it is the perfect lens through which to examine the complex social landscape of the Arab world From pregnant virgins to desperate housewives from fearless activists to religious firebrands from sex work to same sex relations Sex and the Citadel takes a fresh look at the sexual history of the region and brings new voices to the debate over its future This is no peep show or academic treatise but a highly personal and often humorous account of one woman s journey to better understand Arab society at its most intimate and in the process to better understand her own origins Rich with five years of groundbreaking research Sex and the Citadel gives us a unique and timely understanding of everyday lives in a part of the world that is changing before our eyes

The Egyptian World Toby Wilkinson, 2007-09-18 Authoritative and up to date this key single volume work is a thematic exploration of ancient Egyptian civilization and culture as it was expressed down the centuries Including topics rarely covered elsewhere as well as new perspectives this work comprises thirty two original chapters written by international experts Each chapter gives an overvi

Planning the Family in Egypt Kamran Asdar Ali, 2013-11-06 In this ethnographic study the author examines the policies and practices of family planning programs in Egypt to see how an elitist Western informed state attempts to create obliging citizens The state sees voluntary compliance with the law for the common good as the cornerstone of modernity Family planning programs are a training ground for the construction of self disciplined individuals and thus a rewarding area of study for the fate of social programs in developing countries Through a careful examination of state endorsed family planning practices in urban and rural contexts the author shows us the pervasive high pressure persuasion of women who are encouraged to think as individual decision makers of their immediate families and their national interests But what of the other forces at work in these women s lives binding them to their extended families and to their religious identities And what of the laws that allow for polygamy and discriminate against women in marriage inheritance and as part of the workforce These forces operate against the received wisdom of the state Is the Muslim community thought to end at the borders of Egypt What about local constructions of masculinity when the state appeals to wives to decide for themselves How does widespread labor migration to foreign countries affect attitudes toward family planning How is female contraception viewed by the Islamic Brotherhood and other modern Muslim groups This book questions much that we have taken for granted and gives us grounds for reexamining our assumptions about family planning and the individual and state in developing countries such as Egypt

Public Documents ,1982 **Desiring Arabs** Joseph A. Massad,2008-09-15 Sexual desire has long played a key role in Western judgments about the value of Arab civilization In the past Westerners viewed the Arab world as licentious and Western intolerance of sex led them to brand Arabs as decadent but as Western society became more sexually open the supposedly prudish Arabs soon became viewed as backward Rather than focusing exclusively on how these views developed in the West in *Desiring Arabs* Joseph A Massad reveals the history of how Arabs represented their own sexual desires To this aim he assembles a massive and diverse compendium of Arabic writing from the nineteenth century to the present in order to chart the changes in Arab sexual attitudes and their links to Arab notions of cultural heritage and civilization A work of impressive scope and erudition Massad s chronicle of both the history and modern permutations of the debate over representations of sexual desires and practices in the Arab world is a crucial addition to our understanding of a frequently oversimplified and vilified culture A pioneering work on a very timely yet frustratingly neglected topic I know of no other study that can even begin to compare with the detail and scope of this work Khaled El Rouayheb Middle East Report In

Desiring Arabs Edward Said's disciple Joseph A Massad corroborates his mentor's thesis that orientalist writing was racist and dehumanizing Massad brilliantly goes on to trace the legacy of this racist internalized orientalist discourse up to the present Financial Times
