

'She is a master of her material, a writer to whom great talent unfolds'

Michael Specter, Vanity Fair

'Her words stand out as performances of real originality and extraordinary promise'

John Banville

This is the story of Jeanette, adopted and brought up by her mother as one of God's elect. Zealous and passionate, she seems destined for life as a missionary, but then she falls for one of her converts. At sixteen, Jeanette decides to leave the church, her home and her family, for the young woman she loves. Innovative, punchy and tender, *Oranges Are Not The Only Fruit* is a few days' ride into the bizarre outposts of religious excess and human obsession.

Oranges are not the only fruit

Jeanette Winterson

Oranges are *not* the only fruit

When you read her to be the best living writer in this language... In her hands, words are fluid, radiant, burning.
