

Hey, you over there!

In this unit, we do a quick survey of the planet you live on.

Planet Earth, your home

◀ Planet Earth, seen from the moon.

You live on planet Earth.

- ◆ You are young. The Earth is very old. About 4.6 billion years old.
- ◆ It is held in space by a force between it and the sun. This force attracts objects to each other. It is called **gravity**.
- ◆ The Earth travels non-stop around the sun, taking you along too. (So while you sit here, reading this, you are on a cosmic journey.) It shoots along at 108 000 km an hour. One full orbit around the sun takes it a year.
- ◆ It spins as it goes. Here at the UK, it is spinning at about 1400 km an hour. One full spin takes a day.
- ◆ But you don't fly off as it spins – because you are held to it by gravity.

What's it like?

Your planet home is big – about 40 000 km around its middle.

It is made of rock, and, deep inside, two metals, iron and nickel.

Over two-thirds of it is covered by oceans. These are very deep in places. But compared with the size of the Earth, they are just a thin film of water.

Around the Earth is a layer of gas, that travels with it. This layer is called the **atmosphere**. It is over 100 km deep – but most of the gas lies in the lowest 30 km. We call it **air**. You breathe it in.

Did you know?

- ◆ Because the Earth spins, we get day and night.
- ◆ When your place turns away from the sun, you get night.

What if ...

- ◆ ... the Earth stopped spinning?

Geog 1 3rd Edition Answer

LL Leslie

Geog 1 3rd Edition Answer:

This is likewise one of the factors by obtaining the soft documents of this **Geog 1 3rd Edition Answer** by online. You might not require more times to spend to go to the ebook initiation as capably as search for them. In some cases, you likewise complete not discover the proclamation Geog 1 3rd Edition Answer that you are looking for. It will entirely squander the time.

However below, like you visit this web page, it will be so unconditionally simple to acquire as well as download guide Geog 1 3rd Edition Answer

It will not acknowledge many mature as we run by before. You can do it while acquit yourself something else at house and even in your workplace. fittingly easy! So, are you question? Just exercise just what we have the funds for below as capably as evaluation **Geog 1 3rd Edition Answer** what you later to read!
